The Ultimate Guide to Science Fiction David Pringle, 1995

This edition offers short evaluative descriptions of around 3500 novels, brief statements and reviews by critics, and a guide to sequels, related titles, and film versions. New to this edition is expanded coverage of books of the late 19th and early 20th centuries. Also new is the category novelizations and spin-off fiction, a section which reflects the tremendous growth in these publications since the 1980s. All science fiction movie novelizations are covered, as well as a selection of radio and television science fiction novelizations.
