## **Ebook Pinterest Reading Challenge:**

Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero's masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender. In the majority of these narratives the hero is often presented as a hegemonic alpha male. However, hegemonic masculinity is not a fixed concept. Rather, it is subject to continuous change which allows for the emergence of various dominant masculinities. Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives, the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash, depend on or function as a prerequisite for each other.

**Adding Value to Libraries, Archives, and Museums** Joseph R. Matthews, 2016-03-28 This book explains the concept of adding value and shows staff at libraries and other organizations why they need to take steps now to ensure they are adding new value to their communities, whether it be a local town or neighborhood, a faculty and student body or a school. Value is at the core of every organization's purpose. Without value, organizations die. Libraries, as well as museums, archives, and galleries, have traditionally added value to their communities through their collections and services, but yesterday's collections and services are no longer enough. In order to remain sustainable, today's libraries, archives, museums, and galleries must explore new ways to add value that resonate in the lives of their customers. This unique book explains how addressing the 5 C's of adding value: content, context, connection, collaboration, and community, enables organizations to find new ways to invigorate their services, better serve their communities, and thrive today and tomorrow. It addresses adding value in the context of other key topics such as crowdsourcing, embedded librarianship, makerspaces, self-publishing, and repurposing spaces. Filled with charts, tables, screenshots, and other visual representation, this is a useful and provocative guide that anyone interested in vesting in the successful future of libraries, archives, and museums needs to read.

**Sex and Gender in the Pacific** Angela Kelly-Hanku, Peter Aggleton, Anne Malcolm, 2023-02-24 This book examines sex, sexuality, gender, and health in the Pacific with a focus on three key sets of issues: young people, culture, and education; sexual and reproductive health and well-being; and belonging, connectedness, and justice. Bringing together the work of scholars from across the Pacific region, this innovative volume showcases traditional knowledge and diverse disciplinary scholarship of policy and practice relevance. In addition to focusing on relationships, health, education, family, and community, chapters engage with a number of cross-cutting themes including violence, justice, and rights, and sexuality and gender diversity. Drawing on the diversity and richness of the Pacific, its cultures, languages, and people, the book lays the foundations for future conversations and scholarship for and by those within the Pacific. *Sex and Gender in the Pacific* is an important resource for students, researchers, and practitioners working in Pacific studies, sexuality and gender studies, public health,

nursing public policy sociology education and anthropology      **Advances in Human Factors, Business Management, Training and Education** Jussi Ilari Kantola, Tibor Barath, Salman Nazir, Terence Andre, 2016-07-26 This book reports on practical approaches for facilitating the process of achieving excellence in the management and leadership of organizational resources It shows how the principles of creating shared value can be applied to ensure faster learning training business development and social renewal In particular the book presents novel methods and tools for tackling the complexity of management and learning in both business organizations and society It covers ontologies intelligent management systems methods for creating knowledge and value added It gives novel insights into time management and operations optimization as well as advanced methods for evaluating customers satisfaction and conscious experience Based on the AHFE 2016 International Conference on Human Factors Business Management and Society held on July 27 31 2016 Walt Disney World Florida USA the book provides both researchers and professionals with new tools and inspiring ideas for achieving excellence in various business activities      Samuel Rees Howells, A Life of Intercession Richard A. Maton, Paul Backholer, 2018-02-01 Samuel Rees Howells A Life of Intercession The Legacy of Prayer and Spiritual Warfare of an Intercessor by Richard A Maton Paul Backholer and Mathew Backholer Rees Howells a powerful intercessor taught his son Samuel the principles of intercession and commissioned him some weeks before his death stating Whatever you do stand and maintain these intercessions For the next fifty four years Samuel Rees Howells exercised a powerful intercessory ministry as he focused prayer on gospel liberty in order for the good news of the Gospel of Jesus Christ to be given to every creature With the mantle of intercession weighing heavily upon him Samuel spent decades participating with others in their own countries in profound spiritual struggles that shook world events and shaped history for God s glory Discover how Samuel was led by the Holy Spirit to exercise authority over the principalities and powers and to pray through until God s purposes were fulfilled in many lethal world conflicts Learn how God still intervenes in world history from the Korean War to the Cuban Missile Crisis and from the Six Day War to the fall of the Soviet Union Beginning in the days of Rees Howells this book continues this powerful story of intercession and traces its effectual legacy into the twenty first century Filled with principles of intercession faith and spiritual warfare this book provides a fascinating insight into what is possible when the Holy Spirit finds an individual who will stand in the gap and become a channel for His intercession Ezekiel 22 30 Romans 8 26 27 Ephesians 6 12 Richard A Maton worked under Samuel s ministry for forty seven years and provides us with an eyewitness account of Samuel s life of intercession Richard is married to Kristine who joined Rees Howells Bible College in 1936 and prayed alongside him Together Richard and Kristine spent more than 120 years at the College      *Samuel, Son and Successor of Rees Howells* Richard A.
