Psychiatry Robert I. Simon, Liza H. Gold, 2006 Study Guide to Forensic Psychiatry is a question and answer companion that

allows you to evaluate your mastery of the subject matter as you progress through The American Psychiatric Publishing Textbook of Forensic Psychiatry The Study Guide is made up of 115 questions divided into 23 individual quizzes of 5-10

questions each that correspond to chapters in the Textbook Questions are followed by an Answer Guide that references

relevant text including the page number in the Textbook to allow quick access to needed information Each answer is

accompanied by a discussion that not only addresses the correct response but also explains why other responses are not

correct The Study Guide is a companion to The American Psychiatric Publishing Textbook of Forensic Psychiatry is the first

reference designed and written for both the general clinician and the experienced forensic psychiatrist Twenty-eight

recognized experts introduce the forensic subjects that commonly arise in clinical practice Each chapter is organized around

case examples and includes a review of key concepts practical guidelines and references for further reading This practical
