*How to Minister Freedom* Doris M. Wagner, 2011-08-29 This book a compilation of four essential resources contains the steps to finding freedom from demonic oppression emotional wounds sexual bondages and ties to the occult Each topic is enhanced with contributions from well known experts in the field of deliverance Pastors counselors and those who seek freedom for themselves will garner both a basic understanding of each issue and the means to ministering healing No church should be without this crucial guide for bringing lifelong freedom to every Christian      **Global Pentecostal and**

**Charismatic Healing** Candy Gunther Brown, 2011 Divine healing is an essential marker of the global phenomenon of Pentecostal and Charismatic Christianity But although we know that healing is central in these movements we know surprisingly little about how divine healing beliefs and practices reflect the interplay of local and global patterns of cultural development The essays in this collection seek to discover what is the same and what is different about such beliefs and practices in diverse contexts trace formal and informal lines of cultural influence across geographic and national boundaries and ask how healing both reflects and contributes to larger processes of globalization The collection not only fleshes out a picture of how and why spiritual healing is practiced in diverse cultural contexts and how healing practices reflect and shape the transnational spread of Christianity it also provide insight into the nature of globalization The authors attend to a wide range of issues including the theological rationales for divine healing the symbolic objects and ritual enactments employed the cultural controversies surrounding these practices the relationship between Christian healing and local or indigenous healing traditions whether an emphasis on financial prosperity is always present and the extent to which Pentecostal and Charismatic churches are networked and the role of healing in such networks With nearly all new essays this informative volume edited by Candy Gunther Brown contains a forward by Harvey Cox and contributions from an international team of sixteen professors academics and scholars      **Deliverance from Evil Spirits** Dr. Francis MacNutt, 2009-02 A guide to deliverance ministry explains the biblical record and clarifies what a deliverance ministry is and how it functions in the church of today

**Bold Faith** Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of

secular modernity     *Cast It Out* Greg Locke,2023 If Jesus spent one third of His ministry casting out demons why do so many churches virtually ignore deliverance By reading this book I will understand the purpose behind casting out demonic entities and why all Christians are called to help set the captives free For years Baptist pastor Greg Locke believed deliverance ministry and supernatural signs and wonders were just hyped up charismaniac nonsense But then God removed his denominational lenses and showed him what the Bible actually says about the gifts of the Holy Spirit and his life and ministry haven t been the same Suddenly people started getting healed in his services Miracles and wonders abounded And Locke was casting out demons in Sunday services that lasted until 2 30 the next morning Today the firebrand preacher is well known for his popular documentary *Come Out in Jesus Name* and teaches others how to help people get free of demonic oppression In *Cast It Out* the third book in his *Spiritual Warfare Series* Locke testifies of what the Lord has done in his life and ministry and shares the biblical truth and inspired revelations God used to erase all his doubts about the supernatural work of the Holy Spirit In what he considers his most important work yet Locke addresses What the Bible says about deliverance Whether Christians can be demonized Popular objections to deliverance ministry How Jesus dealt with demons Locke believes the church is on the cusp of the most important spiritual awakening in the history of Christianity and we must all be prepared to engage in what Jesus spent one third of His ministry doing casting out demons In this book he offers biblical answers to the most pressing deliverance questions and equips readers to help others find true freedom and healing in Christ     **They Shall Expel Demons** Derek Prince,2013-08-15 This practical guide to deliverance from demons discusses seven commonly asked questions and how to receive and minister deliverance     [The Biblical Guidebook to Deliverance](#) Randy Clark,2015-04-07 ACCESS GOD S SUPERNATURAL POWER AND AUTHORITY TO DEFEAT THE DEVIL Many people are unconsciously living in bondage Marriages are failing drugs are rampant pornography is everywhere and even Christians have given up on God the church and themselves The *Biblical Guidebook to Deliverance* provides you with the supernatural power and authority to fight your battles and be free from oppression Full of scriptural yet practical teaching this book will help you learn how deliverance was part of Jesus s ministry in the New Testament and how you have access to the same power enabling you to live free from the chains of sin No matter what situation you are going through God will give you His grace so that you can rejoice in freedom and live in the fullness of life that He intends for you     *How to Expel Demons, Break Curses and Release Blessings* Derek Prince,2014-08-19 This practical guide to deliverance from demons discusses seven commonly asked questions and how to receive and minister deliverance     [Words on Cassette, 1999](#) Bowker Editorial Staff,Staff Bowker R R,Bowker,1999-02     **Words on Cassette, 2002** R R Bowker Publishing,2002     **On Cassette** ,1990 *Deliverance Manual* Natalie Davis,2012-08-03 A Deliverance Manual to teach and train in the Ministry of Deliverance     [Subject Guide to Books in Print](#) ,1991     **Summary of Derek Prince's They Shall Expel Demons** Everest Media,2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The

Church has long lacked a ministry dedicated to casting out demons and as a result most victims of demonic oppression have been left to suffer without any help from the Church 2 The ministry of expelling demons is important for evangelism It demonstrates the existence of two opposing spiritual kingdoms the Kingdom of God and the kingdom of Satan It also demonstrates the victory of God s Kingdom over Satan s 3 The ministry of deliverance which is the casting out of demons has been largely ignored by the Church in many parts of the world Evangelism especially in the West has been practiced as if demons did not exist 4 The ministry of deliverance has been a constant part of my life for more than thirty years I have helped countless people who have been demonized and I have never found any of it to be inaccurate or misleading
