Investment in Electricity Generation and Transmission Antonio J. Conejo,Luis Baringo,S. Jalal Kazempour,Afzal S. Siddiqui,2016-06-10 This book provides an in depth analysis of investment problems pertaining to electric energy infrastructure including both generation and transmission facilities The analysis encompasses decision making tools for expansion planning reinforcement and the selection and timing of investment options In this regard the book provides an up to date description of analytical tools to address challenging investment questions such as How can we expand and or reinforce our aging electricity transmission infrastructure How can we expand the transmission network of a given region to integrate significant amounts of renewable generation How can we expand generation facilities to achieve a low carbon electricity production system How can we expand the generation system while ensuring appropriate levels of flexibility to accommodate both demand related and production related uncertainties How can we choose among alternative production facilities What is the right time to invest

in a given production or transmission facility Written in a tutorial style and modular format the book includes a wealth of illustrative examples to facilitate comprehension It is intended for advanced undergraduate and graduate students in the fields of electric energy systems operations research management science and economics Practitioners in the electric energy sector will also benefit from the concepts and techniques presented here **Perspectives on Impact** Nina

Montgomery, 2019-02-14 Perspectives on Impact brings together leaders from across sectors to reflect on our approaches to social change Sharing diverse examples from their work these authors show how we must think more systemically and work more collaboratively to move the needle on the biggest social humanitarian and environmental challenges facing our world Chapters by Niko Canner Shanti Nayak and Cynthia Warner Incandescent Duncan Green OxFam Farah Ramzan Golant Girl Effect kyu Sara Holoubek Luminary Labs Joi Ito MIT Media Lab Leila Janah Samasource LXMI Samaschool Amirah Jiwa George Kronnisanyon Werner Republic of Liberia Chris Larkin IDEO org Eric Maltzer Medora Ventures Middlebury College Jane Nelson Harvard Kennedy School Craig Nevill Manning and Prem Ramaswami Sidewalk Labs Jacqueline Novogratz Acumen Deena Shakir GV formerly Google Ventures Jose Miguel Sokoloff MullenLowe Group Lara Stein TEDx Women s March Global Piyush Tantia ideas42 Fay Twersky William Perspectives on Purpose looks at the shifting role of the corporation in society through the lens of purpose World Economic Outlook, April 2019 International Monetary Fund.

Research Dept., 2019-04-09 After strong growth in 2017 and early 2018 global economic activity slowed notably in the second half of last year reflecting a confluence of factors affecting major economies China s growth declined following a combination of needed regulatory tightening to rein in shadow banking and an increase in trade tensions with the United States The euro area economy lost more momentum than expected as consumer and business confidence weakened and car production in Germany was disrupted by the introduction of new emission standards investment dropped in Italy as sovereign spreads widened and external demand especially from emerging Asia softened Elsewhere natural disasters hurt activity in Japan Trade tensions increasingly took a toll on business confidence and so financial market sentiment worsened with financial conditions tightening for vulnerable emerging markets in the spring of 2018 and then in advanced economies later in the year weighing on global demand Conditions have eased in 2019 as the US Federal Reserve signaled a more accommodative monetary policy stance and markets became more optimistic about a US China trade deal but they remain slightly more restrictive than in the fall Positive Impact Investing Karen Wendt, 2018-09-21 This book illustrates the impact that a focus on environmental and social issues has on both de-risking assets and fostering innovation Including impact as a new cornerstone of the investment triangle requires investors and clients to align interests and values and understand needs This alignment process functions as a catalyst for transforming organizational culture within an organization and therefore initiates the external impact of the organization but also its internal transformation which in turn escalates the creation of impact Describing how culture is the social glue permeating all disciplines of an organization the book demonstrates how

organizational alignment can be achieved in order to allow strategic speed innovation and learning and provides examples of how impact can be achieved and staff mobilized It particularly focuses on impact investing impact entrepreneurship innovation de risking asset green investment solutions and investor movements to counteract climate change and implementing the United Nations Sustainable Development Goals highlighting culture communication and strategy
