*The Descent of Man, and Other Stories* Edith Wharton, 1904      **The Man who Could Fly and Other Stories** Rudolfo A. Anaya, 2006 Spanning a period of thirty years a collection of eighteen short stories includes Silence of the Llano In search of Epifano and Children of the Desert      **An Ambitious Man** Ella Wheeler Wilcox, 2019-12-06 Ella Wheeler Wilcox's *An Ambitious Man* is a poignant exploration of human desires, aspirations, and the often tumultuous journey toward self-actualization. Written in the late 19th century, Wilcox employs a conversational yet evocative style, melding lyrical poetry with prose to delve into the intricacies of ambition and its impact on the human spirit. Set against the backdrop of American individualism, the narrative examines the struggles and triumphs of its titular character, embodying Wilcox's belief in the power of determination and the moral complexity of ambition. Wilcox, a significant literary figure of her time, drew inspiration from her own experiences as a writer and social commentator. Born in 1850, she was not only an advocate for women's rights but also a keen observer of societal norms. Her background in poetry and her fascination with the human condition informed her portrayal of ambitious individuals, allowing her to convey profound insights about the societal expectations and the psychological toll of unrelenting pursuit. *An Ambitious Man* is a compelling read for anyone intrigued by the dynamics of ambition and the human experience. Wilcox's nuanced character analysis and engaging prose invite readers to reflect on their own ambitions and the moral choices they entail, making this work both timeless and universally relevant.
