

The background of the entire image is a dark, orange-tinted post-apocalyptic cityscape. In the foreground, a chain-link fence runs across the bottom half of the frame. To the left, a tall power line tower stands. In the background, several multi-story buildings are visible, some appearing damaged or overgrown. The overall atmosphere is one of desolation and decay.

A New Dawn D. B. Daglish, 2015-01-25 When you play with things that do not belong on earth you are courting disaster At a lab on the outskirts of Madison Wisconsin Brian accidentally creates a viral mix of overwhelming capacity Sent to Stockholm to a conference so the agency can play with it further he unknowingly spreads it to all the delegates On live television till the reporters themselves succumb civilization is shown falling into a spiral of fear and brutality When the power grids fail the absolute chaos is hidden except that which is outside your own door Finally all hope is gone and the earth falls silent Yet a few survive This story follows a small group in the southern hemisphere who struggle to grasp the reality of the new world they were unwillingly thrust into With no power no law no comfort and no hope they forge out an existence and discover the comfort in relying on others to survive while experiencing every emotion known to man along the way The choices we make and how to deal with fear loss triumph and peace all while dealing with your own mortality This story explores the reality of a sudden withdrawal of modern convenience the emotions that ensue and how a group can plan a future where the way of life of their descendants will undoubtedly regress till all modern knowledge is lost or is that the case It is both a sobering jolt to the futility of the way we live and heartwarming in the revealing of the need for community in the most dire of circumstances
