The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. *The Series Blueprint* is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over; choose the right series structure for your genre, audience, and goals; build book-level arcs that serve a bigger long-form story; decide between saga, episodic, or hybrid models with confidence; track character growth, worldbuilding, and continuity without overwhelm; balance creativity with strategy without killing your spark; finish a series feeling proud instead of burned out. Whether you're planning your first series halfway through a tangled one or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

Curse of the Blood Queen Jm Lee, 2024-12-13 Centuries after a warrior queen is defeated in battle, Winifred Fox will learn that even Death itself cannot stop a mother's rage. It's been two years since Winnie left the safety of her lavish family estate. Between betrayal and heartbreak, London's lower-class housing in Bethnal Green continues to prove that it's no place for a young lady in 1871. A string of violent crimes brings a grieving mother to her doorstep, pleading for a chance. Underestimating the power of the woman's remorse, Winnie accidentally summons the vengeful spirit of an ancient warrior queen. This entity has a score to settle and powerful dark magic that fuels her ruthless path of retribution. History will repeat itself unless Winnie can stop it in time.

Ruby Fire Adam J. Ridley, 2022-09-23 When forced to choose between ending his father's curse and his fear of commitment, will Kyle embrace his destiny or will he turn away and let the world burn around him? Kyle doesn't believe in destiny. In fact, he's fought against it most of his life. When his homophobic father cursed him and his brothers to never find love, Kyle decided he didn't need it anyway. As a gay man, why settle with one man when you can have many? Conley has never clicked with the community his ancestors created in the dimension between worlds. All this changes when he goes on his vision quest and learns that the community's survival may depend on him and a stranger he's never met. As Kyle fights against destiny and Conley struggles to embrace it, can these two men overcome the evil that stalks their journey and accept the spark of love that's growing between them, or will the darkness destroy them and everything they love?

Bell of Eternity Martina Boone, 2017-07-25 Emma Larsen's mother may have been a best-selling romance novelist but her track record with relationships was the stuff of horror. As a result, Emma doesn't believe in fairy tales or happily ever afters. When her best friend suddenly proposes marriage after her mother's funeral, though Emma reluctantly agrees to accompany Treave to a wedding at his family's island castle in Cornwall to see if they could be compatible. She falls in love with the romantic Cornish coast, a world rich with legends, hauntings, and ancient superstitions such as the one about the ghostly bell that tolls when lovers will be together forever. But as tragedy rocks the small community and everyone pitches in to help, Treave seems to become a different person, one whom Emma begins to fear. And then there's Brando, the handsome Scottish chef who has secrets of his own. Emma finds herself increasingly drawn to him, and as danger begins to surface around them, all she can't deny is that what she and Brando cook up in the kitchen together could well be the stuff of legend.
