

The cover is a vibrant collage of STEM-related icons. At the top left, a person in a blue suit and yellow helmet floats with a red and yellow parachute. Next to them is a blue rocket-like device with a grid pattern. To the right is a blue equals sign, a blue soldering iron, a red plus sign, and a blue ruler. Below the ruler is a pink book. On the left side, there's a red hammer, a yellow lightning bolt, a green and black striped caterpillar, a pink pencil, and an orange and black polka-dot pencil. At the bottom left is a green drone. In the bottom right corner is a cartoon girl with a yellow hard hat. A purple cloud-like shape contains the text 'Packed with activities and facts'. At the very bottom, a line of text credits the authors and designer. The word 'STEM' is the central focus, written in large, colorful letters (S: blue, T: yellow, E: red, M: green) inside a black cloud-like shape. Below it, 'ACTIVITY BOOK' is in white, and 'SCIENCE TECHNOLOGY ENGINEERING MATH' is in smaller, multi-colored letters.
