Pages from the Book of Broken Dreams Kat Jackson, 2024-06-01 Emmalynn Gallagher threw caution to the wind once and found herself in the middle of a tornado. Needless to say she won't be doing that again. Now she fills her life with plans and to do lists. Having moved home for a fresh start, Emma is facing the ultimate re-do list when she abruptly comes face to face with Aubrey Glass, the source of Emma's teenage yearning. Aubrey wouldn't recognize yearning if it tornadoed into her face, but she does recognize Emma even if she wishes she didn't. Socializing especially with her past is Aubrey's least favorite activity. She's tender in spots no one can see and would prefer to fade into the background. Amidst the backdrop of towering shelves of books and the persistent aroma of freshly brewed coffee, Emma and Aubrey navigate their post high school reunion. With plenty of fumbles and missteps, it doesn't seem likely that they'll manage to merge their paths, nor does it always seem that they want to until suddenly it's the only thing that makes sense to either one of them.

Dandelion Throne Paige Suzanne Patno, 2024 When I decided to write a fantasy romance or romantasy novel, I knew it would be important to focus on what makes this novel different from others in the genre. In today's leisure reading climate, there is a plethora of content available to consumers, usually in the form of

accessible and self published titles With the oversaturation of publications in the genre Dandelion Throne has required that I be vigilant of my content to ensure I'm contributing something new to the genre There are several common practices in fantasy writing I want to challenge in Dandelion Throne so I selected several touchstone pieces to draw inspiration from and or challenge when outlining and writing the novel As a writer it is important to pay attention to what books are popular in the genre I am writing Because of this I wanted to use Sarah J Maas A Court of Thorns and Roses series or ACOTAR as one of my touchstones I enjoy reading these novels but I also find glaring issues in the content that I wanted to challenge in Dandelion Throne I also decided to use Erika Johansen's Queen of the Tearling trilogy as another touchstone because her protagonist is well developed well written and would serve me well for inspiration writing a royal character Johansen's series manages to be both politically charged and accessible reading I admire the protagonist's keen skills in politics and diplomacy and thought it would serve me well when it came to writing about my protagonist's place on the throne My project is not a political fantasy but with my protagonist being in a royal role I want to be competent at writing political undertones and subplots to make her place on the throne believable **The Palace of Lost Memories: After The Rift, Book 1** C.J.
