Carbs Carbohydrate Addiction Recovery Battalion System:

Carbs Anonymous, 2012-06-01 Alcohol and Carbohydrates are very similar chemically and very likely cause the same allergy of the body and obsession of the mind as with the disease of alcoholism. If alcoholics are able to abstain from a substance they thoroughly craved abstain for the rest of their lives and learn how to totally enjoy life without it so can carbohydrate addicts. This book is another of a series of books written anonymously that demonstrate how the principles of spirituality and democracy designed by Bill Wilson co-founder of Alcoholics Anonymous can be used outside their anonymous organization for the betterment of our society. However the principles set down in this book are more austere and the participant will be asked to go to very rigorous lengths to achieve recovery awaken spiritually and maintain a spiritual experience in this life. The methods described within are designed for people who are desperate, hopeless and have nowhere else to turn to. The goal of using this recovery program for the individual is not only to achieve freedom from a high carbohydrate diet but to achieve a spiritual awakening so that your life can become pleasant, peaceful, happy and sane.

C.A.R.B.S. - Carbohydrate Addiction Recovery Battalion System Anonymous, 2012-02-14 This book uses AA recovery and organizational methods to demonstrate how one can start a support group and stop consuming large amounts of refined and easily digestible carbohydrates. Using Gary Taubes Good Calories Bad Calories and Why We Get Fat and What To Do About It as reference material the author has discovered the atrocity of obesity, diabetes, heart disease and cancer in our country and that these diseases are mostly caused by our heavy consumption of easily digestible and refined carbohydrates. Obesity is a metabolic and enzymatic disorder. Treatment concepts such as calorie balance, exercise and low fat foods are as archaic as blood letting. What is occurring in our country and this world is considered by some as no less than mass murder. We are presently as backwards with our approach to this issue as we have been with cigarette smoke and drunk driving. Now is the time to make a change. The book CARBS Carbohydrate Addiction Recovery Battalion System provides the spiritual recovery and organizational principles of Alcoholics Anonymous and can be used by those who must stop eating these carbohydrate rich foods to start their own support group. Obesity is a disease, a chronic condition resistant to treatment, prone to relapse for which there is no cure. If for the past 75 years alcoholics have been able to abstain from a substance that they thoroughly craved for the rest of their life and have a wonderful time in doing so well then so can those who are addicted to easily digestible refined carbohydrate rich foods. Just ask someone you know who is in AA. What have Meetings done for them?
