## Guided Reading & Analysis: Nationalism and Economic Development, 1816-1848

### Chapter 8- Nationalism and Economic Development, pp 150-166

**Reading Assignment:**

Ch. 8 AMSCO: If you do not have the AMSCO text, use chapters 12 & 14 of American Pageant and/or online resources such as the website, podcast, crash course video, chapter outlines, Hippocampus, etc.

**Purpose:**

This guide is not only a place to record notes as you read, but also to provide a place and structure for reflections and analysis using your "biggun thinking skills" with new knowledge gained from the reading. This guide, if completed **adults entering BOP** (Beginning of Period) by the due date, can be used on the corresponding quiz as well as earn up to 10 bonus points. In addition, completed guides provide the student with the ability to correct a quiz for 14 points back! The benefits of such activities, however, go far beyond quiz help and bonus points. ☺ Mastery of the course and AP exam await all who choose to process the information as they read/review. This is an optional assignment, do ... young Jedi... what's your choice? Do? Or do-not? There is no try.

**Directions:**

1. **Pre-Read:** Read the prompts/questions within this guide before you read the chapter.
2. **Skim:** Flip through the chapter and note titles and subtitles. Look at images and read captions. Get a feel for the content you are about to read.
3. **Read/Analyze:** Read the chapter. If you have your own copy of AMSCO, **Highlight key events and people as you read.** Remember, the goal is not to "fish" for a specific answer(s) to reading guide questions, but to consider questions in order to critically understand what you read!
4. **Write:** Write (do not type) your notes and analysis in the spaces provided. Complete it in **BOP**.

**Key Concepts (FCRR, PPSCHD-4):**

**Main Idea:** The new republic struggled to define and extend democratic ideals in the face of rapid economic, territorial, and demographic changes.

**Key Concept 4.1:** The United States developed the world's first modern mass democracy and celebrated a new national culture, while Americans sought to define the nation's democratic ideals and to reform its institutions to match them.

**Key Concept 4.2:** Developments in technology, agriculture, and commerce precipitated profound changes in U.S. settlement patterns, regional identities, gender and family relations, political power, and distribution of consumer goods.

**Key Concept 4.3:** U.S. interest in increasing foreign trade, expanding its national borders, and isolating itself from European conflicts shaped the nation's foreign policy and spurred government and private initiatives.
