## **Chemistry By Raymond Chang:**

**Chemistry** Raymond Chang, 2009-01-13 Designed for the two semester general chemistry course Chang's best selling textbook continues to take a traditional approach and is often considered a student and teacher favorite. The book features a straightforward clear writing style and proven problem solving strategies. It continues the tradition of providing a firm foundation in chemical concepts and principles while presenting a broad range of topics in a clear concise manner. The new edition of Chemistry continues to strike a balance between theory and application by incorporating real examples and helping students visualize the three dimensional atomic and molecular structures that are the basis of chemical activity. An integral part of the text is to develop students problem solving and critical thinking skills. A hallmark of the 10th anniversary edition is the integration of many tools designed to inspire both students and instructors. The textbook is a foundation for the unparalleled effective technology that is integrated throughout. The multimedia package for the new edition stretches students beyond the confines of the traditional textbook.

*Physical Chemistry for the Chemical and Biological Sciences* Raymond Chang, 2000-05-12 Hailed by advance reviewers as a kinder gentler P Chem text this book meets the needs of an introductory course on physical chemistry and is an ideal choice for courses geared toward pre medical and life sciences students.
