**Latin American Party Systems** Herbert Kitschelt, Kirk A. Hawkins, Juan Pablo Luna, Guillermo Rosas, Elizabeth J. Zechmeister, 2010-02-22 Political parties provide a crucial link between voters and politicians This link takes a variety of forms in democratic regimes from the organization of political machines built around clientelistic networks to the establishment of sophisticated programmatic parties Latin American Party Systems provides a novel theoretical argument to account for differences in the degree to which political party systems in the region were programmatically structured at the end of the twentieth century Based on a diverse array of indicators and surveys of party legislators and public opinion the book argues that learning and adaptation through fundamental policy innovations are the main mechanisms by which politicians build programmatic parties Marshalling extensive evidence the book s analysis shows the limits of alternative explanations and substantiates a sanguine view of programmatic competition nevertheless recognizing that this form of party system organization is far from ubiquitous and enduring in Latin America

**Christian American Party** Roger Ewing, 2015-03-28 America is on the BRINK of disaster America s leaders have changed our course from a Christian nation to an indifference to GOD S religious principles and values President Barack Obama has said America is NOT a Christian nation America it is time we again embrace GOD and return our NATION to the Founding Fathers ideas of what a Christian nation they envisioned It is time to have a Christian American Party It is time that the Washington politicians represent WE THE PEOPLE Also in this book a well respected constitutional attorney with over 50 years experience details his proof why he thinks the fourteenth amendment is unconstitutional This should invalidate 100 Supreme Court cases and 70 lower court cases

**The National States Rights Party** Michael Newton, 2017-04-24 Founded in 1958 by members of America s first postwar domestic Nazi inspired movement the National States Rights Party developed both as a political protest movement and as a vehicle of violent resistance to the black civil rights movement of the 1950s and 1960s Its acts of terrorism made international headlines and claimed multiple lives Evidence suggests that Party members were involved in the assassinations of President John F Kennedy and Dr Martin Luther King Officially dissolved in 1987 the National States Rights Party was revived in 2005 and one of its original founders remains active in racial agitation on the Internet

**The Great Melding** Glenn Feldman, 2015-08-31 The Great Melding War the Dixiecrat Rebellion and the Southern Road to America s New Conservatism is the second book in Glenn Feldman s groundbreaking series on how the American South switched its allegiance from the Democratic to the Republican Party in the twentieth century

**The Liberty Party, 1840-1848** Reinhard O. Johnson, 2009-06-15 In early 1840 abolitionists founded the Liberty Party as a political outlet for their antislavery beliefs A mere eight years later bolstered by the increasing slavery debate and growing sectional conflict the party had grown to challenge the two mainstream political factions in many areas In The Liberty Party 1840 1848 Reinhard O Johnson provides the first comprehensive history of this short lived but important third party detailing how it helped to bring the

antislavery movement to the forefront of American politics and became the central institutional vehicle in the fight against slavery. As the major instrument of antislavery sentiment the Liberty organization was more than a political party and included not only eligible voters but also disfranchised African Americans and women. Most party members held evangelical beliefs and as Johnson relates an intense religiosity permeated most of the group's activities. He discusses the party's founding and its national growth through the presidential election of 1844, its struggles to define itself amid serious internal disagreements over philosophy, strategy and tactics in the ensuing years, and the reasons behind its decline and merger into the Free Soil coalition in 1848. Informative appendices include statewide results for all presidential and gubernatorial elections between 1840 and 1848, the Liberty Party's 1844 platform and short biographies of every Liberty member mentioned in the main text. Epic in scope and encyclopedic in detail, *The Liberty Party 1840-1848* is an invaluable reference for anyone interested in nineteenth century American politics. *The Christian Evangelist*, 1904 **Guide to the**
