Williams, 2021-09-03 This collection of papers and other materials from English philosopher Peter S Williams develops a holistic vision for Christian apologetics centered around a biblical understanding of spirituality Grounded in two decades of practical experience here is a vision of apologetics that's interested in communicating through beauty and goodness as well as logic and arguments Stand Firm Paul Gould, Travis Dickinson, Keith Loftin, 2018-11-01 Stand Firm Apologetics and the Brilliance of the Gospel argues that the gospel satisfies both of these needs It is true and rational but it is also inherently attractive and provides meaning and purpose In short the gospel is brilliant The Truth About Truth Martin Nyanzu, 2023-06-22 Truth is a bitter

pill to swallow yet it delivers us from bondage and destruction It is often said truth hurts but does it or it is lies that hurt We are in a social conflict because the so called postmodern era allows for creation of meaning even if it defies reality Regardless of our perception about the nature of truth we will still seek it even if we claim it hurts because we can't live without it Martin Nyanzu examines the nature of truth what it means to say truth hurts and identifies some of the popular lies currently trending in our culture Armed & Dangerous Grant Ralston, Jonathan Mingledorff, 2017-06-29 Have you ever found yourself wrestling for assurance in your Christian beliefs Have you ever been adrift on the ocean of confusion unanchored and unsure surveying the seas for a safe harbor In Armed & Dangerous Grant Ralston and Jonathan Mingledorff deliver the essentials needed to secure your faith In this arsenal of biblical weaponry they offer a priceless resource for building confidence in God clarifying key tenets of the faith and sharing the gospel with others Start reading now and learn that Sin in the world originated with Adam and Eve's transgression and continues to wreak havoc on humanity Jesus Christ born of a virgin lived a sinless life died an atoning death and conquered the grave through a justifying resurrection God reveals himself as a trinity in both the Old and the New Testament The Bible is the most unique and life transforming book ever composed because it is divinely inspired and historically accurate The baptism of the Holy Ghost was not just a first century phenomenon but rather an experience readily available to the present day child of God Every reader is sure to obtain a greater understanding of and a deeper appreciation for God and the Bible Let Christians rise up and become valiant warriors of the faith **Seeing the Light** Michael J. Eckstein, John S. Knox, 2023-03-27 For every human on earth the clock is ticking towards their inevitable death Whether one lives to the oldest of ages expiring quietly or death comes suddenly with a slip on the ice or in any other of the myriad of ways people die the end of biological life is the outcome for everyone For the Christian however there is the expectation of continuation beyond this fleeting life on earth Naturalists have no such optimism and can only hope that their time on earth is a pleasant one Because Christians have a divine assurance they want to share that hope with others Still theological questions remain Can near death experiences help lead those far from Christ to him Can they be added to the repertoire of apologetic arguments for Christianity This book examines the truth surrounding near death experiences how they have been seen in human culture what the scientific community is learning about those who have near death experiences and how near death experiences can be used or not used in your evangelistic encounters Taking Back Truth Douglas Groothuis, 2026-07-29 Post truth AI deep fakes truthiness propaganda alternative facts true for you but not for me the concept of truth has been taking a beating for decades but in recent years it feels as though we may be beyond the point of no return Not only are our concepts of truth not aligned with biblical teachings but they are also patently out of step with objective reality And even if we find this disturbing when we notice it at all we may be at a loss about where we go from here With a cool head and a warm heart senior apologist Douglas Groothuis explores our culture's deficient view of truth clearly explaining the nature of truth how to know if something is true and how to bring truth

to bear on some of the most pressing issues of our times Pointing us back to a biblical worldview as the foundation of our understanding of truth this honest yet hopeful examination of common cultural lies will equip you to identify and resist ideologies based on personal opinion and false premises calmly and clearly discuss hot button topics like race gender morality and more help your friends family and others in your sphere of influence recover truth in a relativistic society

Loving God with Your Mind Paul Gould,Richard Brian Davis,2013-12-18 Over the past twenty five years no one has done more than J P Moreland to equip Christians to love God with their minds In his work as a Christian philosopher scholar and apologist he has influenced thousands of students written groundbreaking books and taught multitudes of Christians to defend their faith In honor of Moreland s ministry general editors Paul M Gould and Richard Brian Davis have assembled a team of friends and colleagues to celebrate his work In three major parts devoted to philosophy apologetics and spiritual formation scholars such as Stewart Goetz Paul Copan Douglas Groothuis Scott Rae and Klaus Issler interact with Moreland s thought and make their own contributions to these important subjects Moreland concludes the volume with his own essay *Reflections on the Journey Ahead*

DYING TO KILL Kieran Beville,2014-11-26 This is a comprehensive study of euthanasia and assisted suicide It traces the historical debate examines the legal status of such activity in different countries and explores the political medical and moral matters surrounding these emotive and controversial subjects in various cultural contexts The key advocates and pioneers of this agenda driven movement such as the late Jack Kevorkian popularly known as Dr Death and Philip Nitschke founder of Exit International are profiled Not only are the elderly and disabled becoming increasingly vulnerable but children psychiatric patients the depressed and those who are simply tired of life are now on a slippery slope into a dystopian nightmare The spotlight is brought to bear on the Netherlands in particular where palliative care and the hospice movement are greatly underdeveloped as a result of legalization These dubious services are now offered as part of normal medical care in Holland where it is deemed more cost effective to be given a lethal injection The vital role of physicians as healers in society must be preserved and the important but neglected spiritual dimension of death must be explored Thus a biblical view of human life is presented Death and bereavement are universal phenomena and people of all faiths and those of none have a legitimate right to comment However the historic Christian tradition is struggling to be heard in the clamor for personal autonomy and civil liberties in a multi cultural society that is becoming increasingly secular This work provides an ethical framework in which euthanasia and assisted suicide can be evaluated These issues are on the radar indicating a collision course with Christian values It is time for Christians to be alert and to present the case that these are not satisfactory solutions to legitimate end of life concerns

101 Good Reasons to Believe James D. Sideras,2018-01-04 This book presents a strong case for the Christian faith by using scientific evidence and philosophical reasoning Although an abundance of Christian apologetic textbooks exist most are not easily accessible because they offer long and scholarly treatments of subject matter that may not appeal to lay readers This book differs in two ways First it presents the case for
