Christian Meditation:

One Breath at a Time J. Dana Trent, 2019-01-01 In secular mainstream America meditation has become as ubiquitous as yoga. But how does meditation fit into Christianity and how does it differ from prayer? *One Breath at a Time: A Skeptic's Guide to Christian Meditation* reframes meditation for those who are skeptical because 1) they doubt their ability to be still and quiet; and 2) they doubt the validity of meditation as a Christian spiritual practice. Using scripture, theology, and examples from the early church, this book challenges the prayer habits of Christians that leave little room for enough silence to experience and listen for God. Using five approaches—breath meditation, lectio divina, centering meditation, loving-kindness meditation, and devotional meditation—*One Breath at a Time* provides a practical 40-day guide to beginning and sustaining a Christian meditation practice in an often chaotic world.

Transforming Your Thought Life Sarah Geringer, 2019-10-01 Your Mind Is Under Attack. Thousands of thoughts fly through our minds every day, many of them negative. And Satan knows how susceptible we are to these negative thoughts that leave us frustrated and feeling defeated. However, the time-honored practice of Christian meditation can help us find victory in these spiritual battles. *Transforming Your Thought Life* offers guided meditations and personal examples that will help you train your mind to stay grounded in God's Word. Each chapter examines a particular kind of negative thought pattern and provides key Bible verses and prayers for standing strong against it. Day by day as you hide God's Word in your heart and mind, you will move closer to the heart and mind of God.

Christian Meditation Hans Urs von Balthasar, 2011-10-12 While von Balthasar's classic *Prayer* is unparalleled in its development of the Trinitarian Christological, Mariological, and ecclesiological dimensions of prayer, *Christian Meditation* is a short, readable, and eminently practical guide to that form of prayer which God's revelation in Jesus Christ has made indispensable. Meditation on the word of God reveals the inner depths of God to man and since it comes from God made man, the inner depths of man to himself. In a treatment that is both fresh and profound, Balthasar

describes the central elements of all Christian meditation provides a guide for making the meditation and then points the way to the union that prayer achieves in the footsteps of Mary within the Church and in and for the world Consequently Christian meditation is entirely trinitarian and at the same time entirely human In order to find God no one need reject being human personally or socially but in order to find God all must see the world and themselves in the Holy Spirit as they are in God s sight Hans Urs von Balthasar **Come to the Quiet** John Michael Talbot,2002 A highly successful Christian recording artist and renowned thinker in the Catholic Church examines the rich tradition of meditation and contemplation deeply embedded within the center of Christianity providing strong exercises for unleashing the spiritual psychological and physical health benefits of meditation Original *A Beginner's Guide To Christian Meditation* Taylor Remington,2020-04-24 A Beginner s Guide to Christian Meditation takes the reader on a journey and explores various techniques and spiritual exercises centered around the Christian tradition Containing both guided practices and scriptural foundations this book provides understanding for the methodological processes involved with meditational practice Such processes and practices are life changing for both the beginner and the advanced practitioner Take a transformative dive into the heart of the Divine and explore the life of the Spirit that lies deep within **Christian Meditation** James Finley,2004-06 Mining Christianity s own lineage of contemplatives and mystics Finley guides readers through an unmatched eight hour course of original meditations and other practices fully illuminating this 2 000 year old path to inner transformation and unity with the divine

Word into Silence John Main,2013-01-08 An introduction to the practice of Christian meditation this book offers a twelve step programme in learning meditative prayer *The Way of Unknowing* John Main OSB,2012-01-30 John Main understood that the remedy for the malaise that affects individuals and nations alike was the love of Christ He taught that when we build our lives on the rock like foundation of this love we become rooted in the ultimate reality and the winds and storms of life and even death itself no longer have power over us In the short chapters of this book he shows how we can find the way to this foundation and root ourselves in the eternal love that nothing can destroy The way is simplicity itself but it is also a way of dispossession Daily meditation brings us to the place where our lives become wholly immersed in the Spirit of God but it requires that we come empty handed and prepared to walk the way of unknowing
