Christians and Jews in Dialogue Mary C. Boys,Sara S. Lee,2008-09 Discover the Power of Dialogue to Heal Religious Division How can members of different faith traditions approach each other with openness and respect How can they confront the painful conflicts in their history and overcome theological misconceptions For more than twenty years Professors Mary C Boys and Sara S Lee have explored ways that Catholics and Jews might overcome mistrust and misunderstandings in order to promote commitment to religious pluralism At its best interreligious dialogue entails not

simply learning about the other from the safety of one's own faith community but rather engaging in specific learning activities with members of the other faith learning in the presence of the other. Drawing upon examples from their own experience Boys and Lee lay out a framework for engaging the religious other in depth. With vision and insight they discuss ways of fostering relationships among participants and with key texts beliefs and practices of the other's tradition. In this groundbreaking resource they offer a guide for members of any faith tradition who want to move beyond the rhetoric of interfaith dialogue and into the demanding yet richly rewarding work of developing new understandings of the religious other and of one's own tradition. **Woman Spirit Awakening in Nature** Nancy Barrett Chickerneo, 2008 Developed out of the author's 20 year experience of leading women's retreats this ecospirituality program invites women to go out into nature and look for the metaphors that have meaning for them as they journey on the path to discover the authentic spiritual self.
