Collection YouTube Review:

Proceedings of the International Conference on Advanced Intelligent Systems and Informatics 2017 Aboul Ella Hassanien, Khaled Shaalan, Tarek Gaber, Mohamed F. Tolba, 2017-08-30 This book gathers the proceedings of the 3rd International Conference on Advanced Intelligent Systems and Informatics 2017 AISI2017 which took place in Cairo Egypt from September 9 to 11 2017 This international and interdisciplinary conference which highlighted essential research and developments in the field of informatics and intelligent systems was organized by the Scientific Research Group in Egypt SRGE The book's content is divided into five main sections Intelligent Language Processing Intelligent Systems Intelligent Robotics Systems Informatics and the Internet of Things African American Male Perceptions of Police in the Era of YouTube Traci Dingle, 2022-08-16 This book takes a deep dive into the perceptions of African American males regarding their viewpoints on the relationship between African Americans and the police often shown in YouTube recordings It highlights that this issue is not black or white but a human problem expanding from the United States to the world at large The book will benefit criminal justice actors police departments criminologists community organizations African American families and individuals interested in understanding African American males realities fears and concerns **The Children's Folklore Review**, 2012 **The Georgia Review**, 2018 U.C. Davis Law Review University of California, Davis. School of Law, 2012

Guillermo del Toro Ian Nathan, 2021-11-09 Guillermo del Toro is a complete and intimate study of the life and work of one of modern cinema's most truly unique directors whose distinct aesthetic and imagination are unmatched in contemporary film Widely regarded as one of the most imaginative directors working in cinema today Guillermo del Toro has built up a body of work that has enthralled movie fans with its dark beauty and edge of the seat set pieces In this book acclaimed author Ian Nathan charts the progression of a career that has produced some of contemporary cinema's most revered scenes and idiosyncratic characters This detailed examination looks at how the strands of del Toro's career have woven together to create one of modern cinema's most ground breaking bodies of work Delving deep into del Toro's psyche the book starts by examining his beginnings in Mexico the creative but isolated child surrounded by ornate catholicism and monster magazines filming stop motion battles between his toys on a Super 8 film camera It follows him to film school where we learn of his influences from Kafka to Bunuel and explores his 1993 debut Cronos the independent horror debut which draws on the religious and occult themes which would recur throughout del Toro's work It goes on to cover his development as a director with 1997's Mimic his blockbuster success with the Hellboy films and goes on to study the films which have cemented his status as a legendary auteur Oscar award winners Pan's Labyrinth and The Shape of Water as well as his sci fi masterpiece Pacific Rim as well as looking at his exciting upcoming projects Nightmare Alley and Pinocchio An enlightening look into the mind of an auteur blessed with a singular creative vision Guillermo del Toro analyses the processes themes and narratives that have come to be recognised as distinctly del Toro from practical effects to an obsession with folklore and paganism It

looks into the narrative techniques stylistic flourishes and creative decisions which have made him a true master of modern cinema Presented in a slipcase with 8 page gatefold section with scores of illuminating photographs of the director at work on set as well as iconic stills from his films and examples of his influences this stunning package will delight all Guillermo del Toro devotees and movie lovers in general Unauthorised and Unofficial **Becoming America's Playground** Larry D. Gragg,2019-08-29 In 1950 Las Vegas saw a million tourists In 1960 it attracted ten million The city entered the fifties as a regional destination where prosperous postwar Americans could enjoy vices largely forbidden elsewhere and it emerged in the sixties as a national hotspot the glitzy resort city that lights up the American West today *Becoming America's Playground* chronicles the vice and the toil that gave Las Vegas its worldwide reputation in those transformative years Las Vegas's rise was no happy accident After World War II vacationing Americans traveled the country in record numbers making tourism a top industry in such states as California and Florida The Las Vegas Chamber of Commerce saw its chance and developed a plan to capitalize on the town's burgeoning reputation for leisure Las Vegas pinned its hopes for the future on Americans need for escape Transforming a vice city financed largely by the mob into a family vacation spot was not easy Hotel and casino publicists closely monitored media representations of the city and took every opportunity to stage images of good clean fun for the public posing even the atomic bomb tests conducted just miles away as an attraction The racism and sexism common in the rest of the nation in the era prevailed in Las Vegas too The wild success of Frank Sinatra's Rat Pack performances at the Sands Hotel in 1960 demonstrated the city's slow progress toward equality Women couldn't work as dealers in Las Vegas until the 1970s yet they found more opportunities for well paying jobs there than many American women could find elsewhere Gragg shows how a place like the Las Vegas Strip with its glitz and vast wealth and its wildly public consumption of vice rose to prominence in the 1950s a decade of Cold War anxiety and civil rights conflict *Becoming America's Playground* brings this pivotal decade in Las Vegas into sharp focus for the first time **Feminist Collections**,2008 *African American Review*,2009 As the official publication of the Division on Black American Literature and Culture of the Modern Language Association of America *African American review* promotes an exchange among writers and scholars in the arts humanities and social sciences who hold diverse perspectives of African American literature and culture **Gramophone**,2009 **Review**,2007 **Harvard Review**,2008 *The United States Patents Quarterly*,2008 *Childrens' Catalog* H.W. Wilson Company,2009 The 1st ed includes an index to v 28 36 of St Nicholas *Ohio Media Spectrum*,2007 March issue is the directory of the Ohio Educational Library Media Association [The New York Times Index](#),2009 *Signs of Life in the USA* Sonia Maasik,Jack Solomon,2011-12-01 *Signs of Life in the USA* teaches students to read and write critically about popular culture by giving them a conceptual framework to do it semiotics a field of critical theory developed specifically for the interpretation of culture and its signs Written by a prominent semiotician and an experienced writing instructor the text's high interest themes feature provocative and current reading selections that ask

students to think analytically about America's impressive popular culture How is TV's *Mad Men* a lightning rod for America's polarized political climate Has the nature of personal identity changed in an era when we spend so much of our lives online Signs of Life bridges the transition to college writing by providing students with academic language to talk about our common everyday cultural experience Read the preface Order Multimodal Readings for Signs of Life in the USA packaged with Signs of Life in the USA Seventh Edition using ISBN 13 978 1 4576 1989 2 Chicago Tribune Index ,2007 **Time** ,2009 **Folk Harp Journal** ,2007
