Raj, 2025-02-25 This interdisciplinary volume attempts to gauge the individual and social issues related to memory with an understanding of memory studies as an independent body of scholarship It draws on multiple fields of knowledge like popular culture history literature oral cultures and storytelling which facilitates a panoramic view of memory studies This book investigates the intersection between memory studies partition oral literature and digital technology It is also informed by the consciousness of memory in the digital age which plays an integral role in what is remembered forgotten the form in which such memories are stored and how they might be retrieved in future This book will be an invaluable resource for those involved in research from undergraduate to post doctoral level This includes sociologists psychologists historians artists academicians as well as research scholars from other disciplines **The Art and Science of Heroism and Heroic Leadership** Scott T. Allison, James K. Beggan, Olivia Efthimiou, 2019-06-21 Heroism is a rich elusive phenomenon Any

adequate understanding of heroic behavior requires a new type of scholarly imagination one that taps into human artistic sensibilities as much as it does the rigors of scientific inquiry In an important sense we invoke a meta version of the call to heroic imagination by Franco Blau and Zimbardo 2011 who describe such imagination as a mind set and a collection of attitudes p 13 that can steer everyday people toward heroic achievement This eBook also merges our understanding of heroism with heroic leadership demonstrating that heroic leadership applies the principles of heroism in moving groups toward noble collective goals This eBook represents an effort by a distinguished group of authors to unleash their own creative mindsets attitudes and imaginations in their scholarship on heroism and heroic leadership **Children's Books and Their Creators** Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature this timely

single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations [The Parent's Journal Guide to Raising Great Kids](#) Bobbi Conner, 1997 The Parent's Journal Guide to Raising Great Kids is a comprehensive book of ingredients for raising children It is based upon Bobbi Conner's experience as a mother and upon the ten years of research and broadcast interviews Bobbi has conducted in putting together The Parent's Journal her award winning public radio show that reaches 1.4 million parents a week The Parents Journal Guide

Young Children Learning Barbara Tizard,Martin Hughes,1984 This fascinating account of an unusual research project challenges many assumptions about how young children learn and how best to teach them In particular it turns upside down the commonly

held belief that professionals know better than parents how to educate and bring up children and it throws doubt on the theory that working class children underachieve at school because of a language deficit at home The second edition of this bestselling text includes a new introduction by Judy Dunn Fascinating account of an unusual research project challenges many assumptions about how young children Turns upside down the commonly held belief that professionals know better than parents how to educate and bring up children Throws doubt on the theory that working class children underachieve at school because of a language deficit at home The authors evidence is the children s own conversations which are quoted extensively and are delightful The second edition of this bestselling text includes an introduction by Judy Dunn

Twentieth-century Romance and Gothic Writers James Vinson,D. L. Kirkpatrick,1982 *Reading Matters* Catherine Sheldrick Ross,Lynne (E.F.) McKechnie,Paulette M. Rothbauer,2006 Drawing upon data published in a variety of scholarly journals and monographs as well as their own research findings the authors shatter some of the popular myths about reading and offer a cogent case for the library s vital role in the life of a reader
