characters Herbert paints a scene of racial familial and political disparity He lays bare the paradoxes of this wild land both old and wise young and flawed Winner of the Miles Franklin award on first publication in 1975 *Poor Fellow My Country* is masterful storytelling an epic in the truest sense This is the decisive story of how Australia threw away her chance of becoming a true commonwealth and it is undoubtedly Herbert's supreme contribution to Australian literature Will we ever reach the dream of Australia Felix the happy south land
