**Abundant Life and Loving God** Greg Wander, 2015-05-13

*Abundant Life Loving God* tells how one man's journey of discovery led him to find abundant life in Jesus Christ and a central place in his life for following the most important commandment to love God. Greg Wander tells how he came to love God as passionately as he loves the members of his family. Energized by this change in his life's priorities, he looks back over his personal history in the church and reveals how loving God was rarely discussed. By telling this story, he hopes to help others find renewed love for God. In adopting an approachable tone, *Abundant Life and Loving God* turns its attention to topics like enjoying real relationships with God, loving God, spending time seeking God, finding transformation in God, and reviewing recommendations for spiritual leaders to encourage others in their searches for a loving God. A concluding list of recommended readings grouped by topic provides guidance for one's spiritual search. If you have come to the point in your life where you recognize gaps and holes in your spiritual life, then this text offers support. With its embraceable narrative, it will provide you with scripturally grounded guidance for discovering the blessings that come with showing your love for God and receiving His grace for enjoying an abundant life.

**Desire Work** Melissa Hackman, 2018-07-16

In post-apartheid Cape Town, Africa's gay capital, many Pentecostal men turned to ex-gay ministries in hopes of curing their homosexuality in order to conform to conservative Christian values and African social norms. In *Desire Work*, Melissa Hackman traces the experiences of predominantly white ex-gay men as they attempt to forge a heterosexual masculinity and enter into heterosexual marriage through emotional, bodily, and religious work. These men subjected themselves to daily self-surveillance and followed prescribed behaviors such as changing how they talked and walked. Ex-gay men also saw themselves as participating in the redemption of the nation because South African society was perceived as suffering from a crisis of masculinity in which the country lacked enough moral heterosexual men. By tying the experience of ex-gay men to the convergence of social movements and public debates surrounding race, violence, religion, and masculinity in South Africa, Hackman offers insights into the construction of personal identities in the context of sexuality and spirituality.

*The Frazzled Factor Workbook* Jane Jarrell, Karol Ladd, 2005-06

*Born-Again Masculinity* Melissa Joy Hackman, 2011

**The Journey of Desire** John Eldredge, 2000-03-06 Sometimes it seems we just can't get what we want. Circumstances thwart our best laid plans. We struggle to live a heartfelt life. Worst of all, says Eldredge, the modern church mistakenly teaches its people to kill desire, calling it sin and replace it with duty or obligation, calling it sanctification. As a result, at best, Christians tend to live safe, boring lives of resignation. At worst, their desire eventually breaks out in destructive ways such as substance abuse, affairs, and pornography addictions. In *The Journey of Desire*, Eldredge invites readers to rediscover God-given desire and to search again for the life they once dreamed of.

**Captivating** John Eldredge, Stasi Eldredge, 2007-07 Every little girl has dreams of being swept up into a great adventure of being the beautiful princess. Sadly, when women grow up, they are often swept up into a life filled merely with duty and demands. Many Christian women are tired, struggling under the weight of the pressure to be a good servant, a nurturing caregiver, or a capable home manager. What *Wild at Heart* did for men, *Captivating* can do for women. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be. By revealing the core desires every woman shares, to be romanced, to play an irreplaceable role in a grand adventure, and to unveil beauty, John and Stasi Eldredge invite women to recover their feminine hearts created in the image of an intimate and passionate God. Further, they encourage men to discover the secret of a woman's soul and to delight in the beauty and strength women were created to offer.
