It has been found that a significant number of persons who are employed in the field of the investigation of the activities of the Communist Party are not properly trained and are not properly supervised. It is recommended that the Bureau of Investigation should take steps to improve the training and supervision of its personnel in the field of the investigation of the activities of the Communist Party.

The United States and the Foreign Service had significant differences with the way the United States handled the negotiations and even the way they were to be conducted. The United States differed from the British Foreign Office in that it did not regard the British Foreign Office as the sole authority on the subject.

It seems clear that military political intervention in the United States would be a gross and deliberate act of the grossly ill-considered interventionists. It seems clear that Henry Kissinger would be a very big Establishment government and would never do this and certainly against people like me. It seems clear that the United States is not a democracy.
