Let Us Pass Over to the Other Side Joyce L. Smith, 2010-07 God has always had a cure for his people With the Israelites it was the opening of the Red Sea with Abraham it was the ram in the bush and with the disciples it was Jesus in the boat with them In each instance God's people were at their wit's end and saw no way out But it was always God who came to the rescue In these last days with extreme weather disasters greed in the pharmaceutical industry and deficiency in Medicare in order to survive this coming era of manipulation and greed we'll have to be like Moses and Abraham We'll have to walk by faith and not by sight and just as the disciples were going to have to rely on the word of God Join new author Evangelist Joyce Smith as the Lord steers her into a revolutionary journey with his word Travel with her as she leaves the natural realm and passes over into the spirit realm with God's word as her shield and buckler When you come to your Mt Moriah your Red Sea and even when you decide to get in the boat with Jesus fear not Jesus will be with you as he was with the disciples and Evangelist Smith because he said Let Us Pass Over to the Other Side Only Believe! Jamie Dershem, 2014-11-14 Only Believe Only Believe will give you the Scriptures you need to build your faith to receive your healing or anything else It is not written for the fainthearted but for the desperate who want to see miracles in their life It also includes powerful testimonies of people who have received their miracles Only Believe is written in an easy to read format with practical ways to use The Word The Blood The Name Your Faith Your Authority Praise etc etc Only Believe includes a section of personalized faith confessions you can say daily to receive protect and make your life whole in these days of adversity You will be empowered through Only Believe with the tools to change the circumstances in your life to the desires of your heart If you would believe you would see the glory of God John 11:40 NKJV **Give Me 52 weeks...** Anne-Katrin Dunford, 2023-07-07 Give Me 52 Weeks is a weekly Christian devotional that helps readers develop a lifechanging relationship with God It provides people an opportunity to grow their faith while meditating on central Biblical texts Based solidly on scripture it contains supernatural power in its shared meditation on God's Word If readers apply the principles that are revealed in the text their lives will be transformed They will become victorious Christians ready to spread God's ways among all those they meet in their daily lives This is not a book to decorate the coffee table it is filled with the power of God By investing daily time in its pages reflecting

on and journaling ones thoughts and making faith filled declarations the reader will conform into the image of Christ The living and active power of God that is inherent in the Bible infuses every page This devotional will appeal to both men and woman of Christian faith as an encouragement to grow their faith in dependence on the infallible Word of God the Bible The reader will learn that with faith in the Word of God nothing is impossible and that anyone can be victorious and experience lasting change As long as there is breath and willingness in a person God can work the impossible *The God of Love* David Scott Carrig,2018-05-31 God says Love each other even as I have loved you So how do we fulfill this command By learning to love from the Creator of all love For only God equips and teaches us to love like He loves And oh how He longs for us all to be His children on earth with a working knowledge of the power of true love When the world senses the aroma of Gods love they want to draw close to Him which is His deepest desire Come explore the very heart of God and see why love is the greatest gift we must master as if everything else depends on it *The Health and Wealth Gospel* Bruce Barron,1987 **Faith and Confessions** Charles Capps,1992-05-01 In this profound look at the Scripture Charles Capps reveals how to release God s goodness in your own life He clearly outlines that speaking the truth of God s Word even when times are tough works together with our faith to bring victory every time Confessing what God said in His Word out of a heart full of faith will bring God s supernatural intervention The balance of faith and confession working together is essential for living the abundant life that God has promised **God's Creative Power for Healing** Charles Capps,1991-12 This powerful book combines all new teaching with scripture confessions for healing You will learn how you can release the power of God for your healing by the words of your mouth Catastrophe Theology Francis Kai,2017-05-15 The Catastrophe Theology is a theology learned by Francis Kai throughout the years he was thrown into the Valley of Achor Although he had been a Catholic from ten years old Francis did not know to receive grace from God in deep suffering when his wife Martha was diagnosed with brain cancer During his search for spiritual help Francis discovered Martin Luther was the first theologian to preach suffering Luthers doctrine of justification by faith alone is the doctrine of salvation by grace alone through faith alone Grace is the free gift of God to mankind A Christian must learn the way to receive grace through his faith in Christ Francis learned to receive grace by learning Luthers teaching Submit totally to God He was transformed from living his church life to Christian life God calls us to bear great fruit for his glory in this suffering world Francis learned the verse of John 14 12 from Pastor Scott Scruggs to do greater things than Jesus by telling his readers about the theology of suffering A church that does not preach suffering is not Gods church Francis learned to be a godly man from living a life in doctrine Lord, Have Mercy Scott Hahn,2005-10-18 An illuminating reassuring explanation of the Catholic Church s teachings on confession and forgiveness by the bestselling author of *The Lamb s Supper* and *Hail Holy Queen* Jesus told his first clergy If you forgive the sins of any they are forgiven if you retain the sins of any they are retained In *Lord Have Mercy* Scott Hahn explores the sacrament of reconciliation and shows why it is the key to spiritual growth particularly in these times of intense anxiety and uncertainty

Drawing on the history of ancient Israel the Gospels the writings of the early Church and the lives of the saints Hahn reveals the living scriptural heart of the Church s teachings on penance forgiveness and reconciliation It is a story that begins with the sin of Adam and Eve continues in the biographies of Moses King David and the Apostle Peter and reverberates in the lives of believers today Hahn presents the Catholic and biblical perspective on sin and mercy elucidating in clear easily understood language the true import of Jesus simple yet profound promise I am the door if anyone enters by Me he will be saved John 10 9 Like Hahn s earlier books Lord Have Mercy offers thoughtful authoritative insights into controversial issues and disputed doctrines in a manner that will enlighten lay readers yet is thorough enough for scholars to appreciate More than just a Bible study it is a guide for the perplexed providing practical advice and inspiration that will help readers come to a deeper knowledge of themselves and of Jesus through the sacrament of penance **And Jesus Healed Them All!**

Confession Peter Tyler,2017-10-19 A new pastoral contribution on the enduring subject of confession in Christian life Confession The Healing of the Soul is not just about what is termed sacramental confession Its frame of reference is much wider and includes discussion of those celebrated writers who wrote confessions Augustine Kierkegaard Tolstoy Foucault Freud Jung John of the Cross and Wittgenstein This book will be of interest to all Christians of any denomination who engage in sacramental confession clergy but also pastoral workers and those millions who actually attend confession as part of their lives In the post Freudian age confession of any kind has had a bad press but is now coming back into popularity as guilt and sin become helpful concepts Peter Tyler an author and practicing psychotherapist argues that rather than being something to consign to the rubbish heap of history confession offers unexplored potential for the healing of the postmodern soul The book addresses all those engaged in psychotherapeutic and healing practices and ministries *Books in Print Supplement* ,1978

Perspectives ,1994 God's Creative Power Will Work for You Charles Capps,2009-08-27 Your words create and your words destroy God created the universe with His Words and He gave Christians that same authority here on earth Many believers are not experiencing Gods absolute best simply because they dont realize the authority and responsibility they possess

True Confessions Linda Schubert,2010-04-15 This little book will help you to deal with your feelings of anger shame rejection etc by bringing them to God seeing how others have successfully dealt with their negative feelings and praying for those with similar struggles It is about parts of ourselves that we sometimes don t want to admit but the merciful and loving God opens great fountains of grace into our negative emotions and painful experiences often bringing deep growth and healing into our lives
