Choice Honor Patrick Lubitsky:

A Choice for Honor Patrick Lubitsky, 2015-12-09 Eighteen year old Laelynn is still reeling from the trauma of rape when she discovers she is pregnant Her parents assume she will abort the pregnancy and get on with her life What worth does a rapist s baby have anyway Laelynn makes it as far as Dr Heeth s abortion clinic before realizing she cannot take a life Her decision brings her into conflict with her father and stepmother while a church congregation rallies around the young woman With the help of a loving God Laelynn transforms tragedy into triumph in ways that will serve her for the rest of her life A fictionalized account of one woman s personal struggle *A Choice for Honor* interweaves Laelynn s story with brutal gruesome accounts of the abortion industry Author Patrick Lubitsky reveals what society can learn from undercover videos exposing the cruel and heartless acts of tissue procurement companies and the body part providers who pose as caretakers of women Over sixty million babies have lost their lives since the United States legalized abortion Those who protect innocence as Laelynn does earn a distinct honor that far outweighs the convenience of a simpler choice
