Architecture, Theology, and Ethics Elise M. Edwards, 2024-03-18 Architecture Theology and Ethics Making Architectural Design More Just argues that architecture design and creativity are theological ethical concerns that ought to be considered more deeply by Christians who are committed to social and environmental justice Elise M Edwards discusses the significance of architectural design entering into ongoing conversations in theological ethics and aesthetics She argues that architectural design is not just a professional practice for wealthy clients but rather an activity that everyday people undertake when making choices that shape the spaces they inhabit If Christians think theologically about their agency in these decisions they will discover that architectural design becomes an opportunity to contribute to the flourishing for humanity and God's creation Edwards proposes an approach to architectural design that presents it as prophetic action with the power to shape our world This book then presents five moral commitments that guide design intentions and the process of design towards justice and inclusion Grounded in liberationist feminist and womanist thought Architecture Theology and Ethics makes a compelling case for architecture's relevance to Christian ethics and theology **Earth Ethics**

Martin-Schramm, James, Stivers, Laura, Spencer, Daniel, 2015-11-01 This valuable classroom resource explores a number of issues in social and environmental ethics and provides resources for engaging in ethical reflection about them Nine cases explore issues like population growth material consumption and climate change water rights and species conservation genetic engineering and food security in Sub Saharan Africa hydraulic fracturing and greenhouse gas reduction options and mountaintop coal removal mining and fossil fuel divestment Utilizing the tried and true case method approach pioneered by the Harvard Business School the case studies present material in a clear and relevant fashion and allow instructors to select
