The Great Chicago Fire Conspiracy George Tackes, 2021-09-25 The Arsonist An obsessed twisted maniac targets the city of Chicago for destruction in retribution for the burning of Atlanta ten years earlier during the Civil War But he has been hunted around the world by an ex Union officer named Philip Avers who knows his true identity Both men converge on the bustling metropolis on a hot summer night of 1871 as the Arsonist sets his plans in motion Avers is too late to stop him Now with the help of a Chicago Tribune reporter names Richard Cromie Avers will race through a fiery hell on earth to capture the fiend and bring him to justice But only if he and Cromie can survive the holocaust themselves Writer George Tackes spins an incredible tale set against the background of one of the greatest tragedies in the history of America *Dirty Fire* Earl Merkel, 2003 The bestselling author of *Final Epidemic* is back Police officer John Davey once set up on bribery charges has been given a chance to save his career by investigating the baffling murder of two of Chicago's most prominent art collectors But in the charred ruins of their North Shore mansion are clues to something more sinister than premeditated arson

Chicago 1871 James Merl, 2018-11-15 What if you had the chance to go back in time and change history Firefighter John Kirk is living his dreams when a freak incident sends him 147 years into the past when he awakes he's in a Chicago hospital and discovers it's September 25 1871 just two weeks before the disaster known in history as the Great Chicago Fire What people are saying 5.0 out of 5 stars A great book James I finished your book last night and I want to tell you how much I enjoyed the read and how nicely you portrayed Nicholas DuBach my Great Grandfather and all those Chicago firefighters My Dad Nicholas grandson told me many stories about what he knew of Nicholas history Now you have put all those Nicholas memories into your book You portrayed him just as I remember my dad telling me And how brave the Chicago firefighters

Chicago 1871 James E. MERL, 2019-02-23 Chicago 1871 is the story that s never been told before Almost everyone throughout history has heard or read about the Great Fire of Chicago and how it supposedly started when a cow kicked over a lantern but what has never been told before is the story of the young boys who fearlessly fought the fire the disadvantages they faced and the triumphs they achieved while trying to save the city they loved In order to create a contrast between modern day firefighting and the techniques used in the 1800s I threw in John Kirk a cocky firefighter from 2018 John has always viewed firefighters of the 19th century to be untrained and nothing more than glorified window washers who fought fires from the streets After a freak accident while fighting a house fire in 2018 John wakes up in a Chicago hospital surrounded by the crew of Steam Engine Company 8 They claimed to had rescued him off the porch of a burning house The year 1871 After coming to grips that somehow he had traveled 147 years into the past John brings with him his cocky you guys don t know anything about firefighting attitude What follows is a story of humor brotherly bonding romance and non stop action as the fires of 1871 begin to plague the city in late September These fires will continue and eventually lead up to the conflagration known in history as the Great Chicago Fire This story is based on the actual events of 1871 and written in such a way that it will make you laugh cry and experience the emotions of the firefighters as you are brought into the story and actually become part of their lives My goal was to make the reader look up and say Wow could this really have happened
