Chinas Reforming Churches:

China's Reforming Churches Bruce P. Baugus, 2014-05-01 This is a critical moment in the life of China's reforming churches and the Presbyterian and Reformed mission to China. This book provides both a historical look at Presbyterianism in China and an assessment of the current state of affairs, orienting readers to church development needs and the basic outlines of Reformed Christianity in China today. While laying out the challenges and opportunities facing the church, the authors argue that assisting this reformation in China should be a central objective of the Presbyterian and Reformed mission to China in this generation.

History of the China Mission William Edwin Hoy, 2015-07-13 Excerpt from History of the China Mission Of the Reformed Church in the

United States The author of this volume needs no introduction to the pastors and people of the Reformed Church in the United States He was born in the bosom of our Church and he grew to manhood in a home where the voice of prayer was daily heard He is a graduate of college and seminary and he now writes after thirty years in the university of missionary experience in Japan and China As the founder of our China Mission he knows all about its inner life and that adds still greater value to this most fascinating history It was by action of the Board of Foreign Missions that Doctor Hoy undertook this labor of love and we bespeak for it a careful perusal Our Church has been longing for the opportunity to partake of the feast of good things which is here spread before it Let all of us partake of it and thereby receive fresh strength for a glorious advance in the work of our China Mission About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Aiming Wang, 2009 The Protestant Church in China is growing very fast However the role of the Church in society is still fragile and marginal The Church needs a strong ethical and structural development This study analyses the theological ethical and ecclesiological heritage of the Reformation and it shows how this can build the foundation for the future of the Church in China Four models serve as orientation the Reformers Luther and Calvin and the theologians Bonhoeffer and Barth in the 20th century with their vision of Christian faith and a humane society The critical analysis of the missionary heritage since the 19th century shows its contribution for the acceptance of the tradition of the Reformation for the growing Church in China The author combines this theological and ethical perspective with the inculturation in the strong ethical tradition of

the Chinese culture He proposes the encounter between the spirituality of the Western culture and that of the traditional culture of China through the relationship with Confucianism The book also offers elements for the dialogue around modern values such as human rights and civil society In this dialogue Chinese Protestantism can play more and more an important role **History of the China Mission of the Reformed Church in the United States** William Edwin Hoy,2022-10-27
