Clown World Jamie Tahsin, Matt Shea, 2024-09-26. This gripping book is destined to become THE book about Andrew Tate. Jon Ronson's A fascinating and disturbing investigation Ian Hislop The behind the scenes story of a four year investigation into Andrew Tate exploring how a failed reality TV star turned accused organised criminal managed to become one of the most famous influencers in the world. In 2022 Andrew Tate went from a little known kickboxer and failed reality TV star to a lifestyle icon for legions of men and boys and a figure that would define a new era of misogyny. Tate started the year as a fringe internet celebrity but by August he was the most googled man in the world. In that same month Matt Shea and Jamie Tahsin gained access to his Bucharest compound and infamous War Room making a documentary that would result in the first women coming forward to accuse him publicly of sexual and physical violence. Tate would end the year in a Romanian jail facing charges of human trafficking, rape and being part of an organised crime group. But the investigations wouldn't stop there. Part Gonzo journalism part masculinity rabbit hole this book takes you on Shea and Tahsin's journey to reveal the dark secrets of Andrew Tate, the machine that brought him here and the ideology he has unleashed on a generation of young men. A sobering, strange and eye opening look into the toxic manosphere. It should be required reading for anybody worried about the rise of incel culture and Andrew Tate Zing Tsjeng. Rarely have I read anything so politically important that's also so gripping.
