Control Your Destiny Or Someone Else Will:

Control Your Destiny Or Someone Else Will Noel M. Tichy, Stratford Sherman, 1993 As CEO of General Electric Jack Welch's motto is to be number one in every market. And GE is doing just that. Written by Welch's closest advisor, this guide shows how revealing that to prosper in a harsh economic environment, every business must confront the same stark choice as GE: Change or die. Doubleday

Control Your Destiny or Someone Else Will Noel M. Tichy, Stratford Sherman, 1994-01-20 The Six Rules Jack Welch Lives By: Control your destiny or someone else will. Face reality as it is not as it was or as you wish it were. Be candid with everyone. Don't manage lead. Change before you have to. If you don't have a competitive advantage, don't compete.

Control Your Destiny Or Someone Else Will Tichy, Noel M., 1993 The 100 Best Business Books of All Time Jack Covert, Todd Sattersten, 2011-11-01 Thousands of business books are published every year. Here are the best of the best. After years of reading, evaluating, and selling business books, Jack Covert and Todd Sattersten are among the most respected experts on the category. Now they have chosen and reviewed the one hundred best business titles of all time, the ones that deliver the biggest payoff for today's busy readers. The 100 Best Business Books of All Time puts each book in context so that readers can quickly find solutions to the problems they face, such as how best to spend The First 90 Days in a new job or how to take their company from Good to Great. Many of the choices are surprising; you'll find reviews of Moneyball and Orbiting the Giant Hairball but not Jack Welch's memoir. At the end of each review, Jack and Todd direct readers to other books both inside and outside. The 100 Best And sprinkled throughout are sidebars taking the reader beyond business books, suggesting movies, novels, and even children's books that offer equally relevant insights. This guide will appeal to anyone from entry level to CEO who wants to cut through the clutter and discover the brilliant books that are truly worth their investment of time and money.

Smart Leadership Jo Owen, 2023-01-05 Wherever you are in your career, this guide will give you a comprehensive understanding of the basic building blocks of effective leadership and management. For all professionals, knowledge of the key elements of high quality leadership is vital, whether they are existing managers taking on additional managerial responsibilities or looking ahead to their career goals. This base of knowledge stretches from the individual leading yourself to the group leading teams and even entire organizations. Postimperialism and World Politics David G. Becker,Richard L. Sklar,1999-07-30 Postimperialism is a theory of political and social change inspired by the explosive growth of transnational corporate enterprise during the latter 20th century Its foundations are derived from two primary sources political theories of the modern business corporation and class analytical theories of society However the postimperialist theory of class formation is predicated on power relations a departure from conventional class analysis that renders the theory applicable universally to countries at different stages of economic development Postimperialist thinkers contend that the formation of a global bourgeoisie resulting from transnational class coalescence coincides with the evolution of institutions and public policies that are compatible with socialist as well as capitalist principles This book provides theoretical contributions to postimperialist theory as well as case studies of both individual countries Britain Cuba the United States and regions of the world Africa postcommunist Europe It also contains

historical analyses of the origins of postimperialist thought in Mexico and the United States Topics considered include the transfer of cultural and ideological values multilateral legal responses to transnational oligopolies the problems of predatory corporate behavior and perceived neoimperial threats working class responses to the challenges of transnational enterprise the effects of resistance to market based economic reforms opposition to imperial spheres of influence and postimperialism s contributions to theories of international politics
