Holy Spirit and Community Kenneth H. Jr Carter, 2015-05 Converge is where life and faith come together *Converge Bible Studies: Holy Spirit and Community* Kenneth H. Carter, Jr., 2015-05-19 When the Holy Spirit showed up with power in Acts 2 it's unlikely many of the believers present in Jerusalem that day had any idea the magnitude of what was in store. The Spirit began building the church then and is still active in the world today. In these four sessions based on Acts, Carter explores the work of the Holy Spirit in three areas: shaping, guiding, and disrupting. He maintains that the Holy Spirit creates Christian community, shapes and reshapes community, and works through groups of believers to speak to the culture. In *Holy Spirit and Community*, you'll learn how to recognize the Spirit at work in your community. *Converge Bible Studies* is a series of topical Bible studies based on the Common English Bible. Each title in the series consists of four studies on a common topic or theme. *Converge* can be used by small groups, classes, or individuals. Primary Scripture passages are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in *Converge* come together to transform readers' relationships with others, themselves, and God. **Converge Bible Studies:**

**Kingdom Building** Grace Biskie, 2013-07-22 Since New Testament times, the kingdom of God has presented a paradox for believers. Although it's both here and at hand, it's also not quite here in all its fullness. That's where we come in. In *Kingdom Building*, Grace Biskie offers insight into how Christians can collaborate with the Creator of the universe and bring this Kingdom into the here and now. We do this in community with other believers, and we start with the poor, our enemies, and those we despise. Building the kingdom of God isn't easy. Sometimes it happens inch by inch. Sometimes it makes us uncomfortable. But few things are more satisfying for a Christian than being involved in God's plan for changing the world, and it starts in our world. Because whether we know it or not, we're all longing for God's kingdom to be here entirely. And when that happens, God will make all things new. *Converge Bible Studies* is a series of topical Bible studies. Each title in the series consists of four studies on a common topic or theme. *Converge* can be used by small groups, classes, or individuals. Primary Scripture passages from the Common English Bible are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in *Converge* come together to transform readers' relationships with others, themselves, and God. **Converge Bible Studies: Who Is Jesus?** Adam

Thomas, 2013-11-19 Have you ever stopped to think just how much better Jesus Christ knows you than you know him? It's a pretty staggering thought, really. Not only that, Jesus knows you better than you know yourself. And although you'll never know Jesus as well as he knows you, part of following the Son of God is getting to know him better. But you don't want to fall into the trap of learning stuff about Jesus. Rather, you want to know Jesus himself. This study invites you to get to know four elements of what makes Jesus who he is: his name, his voice, his life, and his peace. In *Who Is Jesus*, you'll discover that the more you know Jesus, the more Jesus will teach you who you are. *Converge Bible Studies* is a series of topical Bible studies. Each

title in the series consists of four studies on a common topic or theme Converge can be used by small groups classes or individuals Primary Scripture passages from the Common English Bible are included for ease of study as are questions designed to encourage both personal reflection and group conversation The topics and Scriptures in Converge come together to transform readers relationships with others themselves and God      **The Spirit Driven Church** Terje Hegertun,2017-06-28 Must the church be either charismatic or sacramental In this book Terje Hegertun argues that she has the privilege of being both The Day of Pentecost formed her identity and shaped her conviction of being lifted on the arms of grace and pushed forward by the power from on high In the midst of her vulnerability and failure the worldwide faith community is a composition of the Spirit One of the greatest gifts the church may offer the world is simply to be church a charismatic sacramental fellowship a dwelling place of God s Spirit A church nurtured by graceful charismatic and sacramental gifts fosters a mature congregational spirituality distinguished by hospitable relations Thus the Spirit of God plays the main role of being the comprehensive principle of Christian unity across denominational lines      **The Starfish and the Spirit** Lance Ford,Rob Wegner,Alan Hirsch,2021-03-30 Imagine an organizational model for church leadership that enables the entire team to unleash their full potential The joy and vigor coming from a collective strength intelligence and skill in the community of leaders not only brings greater potency but better yields for your ministry What would it be like to see this kind of healthy leadership reproduced into the second third and fourth generation on multiple strands Leveraging the metaphor Ori Brafman popularized in his NYT best selling book The Starfish and the Spider Rob Wegner Lance Ford and Alan Hirsch show How to take a close look at your church s organizational structure and how to adapt instead of simply adopt a certain kind of structural approach How churches can function without a rigid central authority making them nimbler in reacting to external forces How seeding starfish networks inside today s churches will prepare the church of tomorrow to be agile while maintaining the accountability to be effective The Starfish and the Spirit is about creating a culture where church leaders view themselves as curators of a community on a mission not the source of certainty for every question and project It s about creating a team of humble leaders in the middle of the church not at the top leaders who naturally reproduce multiple generations of leaders from the middle out      **Community** Rick Wadholm Jr.,Meghan D. shaped by media processes and conditioned by digital media and interactive forms of communication Media set the agenda and they profoundly challenge religions both with respect to their public communication and their very existence and public relevance People increasingly use media for shaping their religious identity and their search with respect to questions of ultimate meaning Barely any theological studies exist that reflect on religious policies and their subsequent praxis in the field of communication The author analyzes Christian policy views and identifies the main problems and opportunities in relating to media culture
