## **Conversations With Mediums:**

Everyday Conversations Susan Fiandach, Connie Wake, 2014-11-16 Everyday Conversations The Key to the Contemporary Medium is a thought provoking view of the work of today's psychic medium Written by local professional psychic mediums and educators Susan Fiandach and Connie Wake this book is aimed at bringing psychic mediumship into the 21st century by dispelling the old myths and fears about divination Psychic or not this is an interesting read about life and intuition This is a straight forward look at what a psychic medium reading is and what it is not and the evidential information you can expect from today's psychic mediums The book describes the ease of the reading through an understanding of the energy and information involved and allowing the medium to facilitate a conversation with the client and their loved ones who have passed Everyday Conversations is a part of a multi series training program to explore engage and experience your sixth sense Our mission is to create a platform from which you can begin your journey as a psychic medium take your next step as a working professional or perhaps start your own practice group or circle in your area Conversations With Mediums Scott Podmore, 2014 What happens when we die Are loved ones still around us after they pass How do babies represent as souls What about our pets do they wait for us on the other side The world of mediumship has polarized people throughout history and whether you believe or not science is starting to take notice and is setting about investigating all possibilities Bestselling author Scott Podmore returns after a two year project in which he interviewed more than thirty mediums all over the planet from differing socioeconomic backgrounds and cultures In this book he selects twelve of the conversations that took place and all have a similar line of topics in his aim to find threads of consistency or inconsistencies Coming from a standpoint of giving these mediums the benefit of the doubt he provides a forum to discuss their alleged abilities that cover areas including spirituality psychic predictions physical mediumship electronic voice phenomena trance and more Podmore delves deep into the world of spiritual mediumship with probing yet respectful questions in a mission to discover how it all works He encounters many surprises along the way that may even change your own belief systems help readers understand their own adversities find emotional healing or enrich their lives with new meaning and hope **Behind the Scenes with the Mediums** David Phelps Abbott, 1916 *How to Talk to Spirits* June Ahern, 2017-03-28 How to Talk With Spirits Sances Mediums Ghost Hunts is an informative and practical guide to an unusual and often sensitive subject In it questions from the curious living about the dead human and animals are answered Learn how to conduct a sance understand how mediums relate spirit communication take safe and successful ghost hunts and avoid vampire entities Read about the author's most memorable ghost encounters and hauntings by murder victims Test your own psychic abilities with the author's ESP Quiz By the end of the book you will decide if you want to or can communicate with the dead or leave well enough alone Living With Messages from Heaven Rebecca Anne Locicero, 2014-10-15 Living with Messages from Heaven A Guide to Conversations with the Beyond will enlighten you while awakening your soul's connection to the beyond Psychic Mediums in

today's millennium connect to this channel of information through their own uniquely developed skills of intuition. People who work in this profession have a need for ethics and must be aware of the grand responsibility connected to this work. You will learn the parameters of this work as a job: what a Psychic Medium can do for you and how to go about matching up with someone who is ethically and divinely connected. When you become aware of your spiritual development, finding someone to help you tap into that intuition is a blessing. Manifest now into your life a positive outlook with a greater sense of understanding. Freire, 2007-12-14. This book constitutes the thoroughly refereed post-proceedings of three workshops and an industrial track held in conjunction with the 11th Pacific Asia Conference on Knowledge Discovery and Data Mining PAKDD 2007 held in Nanjing, China, in May 2007. The 62 revised full papers presented together with an overview article to each workshop were carefully reviewed and selected from 355 submissions.

**Talking to the Other Side** Todd Jay Leonard, 2005. Since its birth in 1848, Spiritualism as a religion, science, and philosophy has experienced great highs and lows. At the center of this purely American-made modern religious movement are mediums: the people who are able to communicate in some way with spirit entities that are no longer on the earth plane. Based on three years of on-site investigation and a plethora of data and research collected on the modern Spiritualist movement in America, *Talking to the Other Side* focuses upon the ethno-religious aspects of the religion, mediumship, and the mediums themselves. The first four chapters offer an expansive review of the history of religion in America, mediumship, and the Spiritualist movement. Chapters 5-7 comprise the research and data that were compiled and analyzed based on fieldwork analysis: a comprehensive questionnaire, personal interviews, and published literature on the topic of Spiritualism and mediumship. According to Spiritualist mediums, people don't die; bodies do. *Talking to the Other Side* offers a contemporary look into the lives and backgrounds of the mediums who bridge this world and the Spirit world, connecting those who have passed over with those they left behind.

*Songs and Gifts at the Frontier* José Semblante Buenconsejo, 2002. First Published in 2003. Routledge is an imprint of Taylor & Francis, an informal company.

**Talking to Heaven** James Van Praagh, 1999-03-01. James Van Praagh is a spiritual medium, someone who is able to bridge the physical and spiritual worlds. Though unaware of his gifts until his twenties, he slowly came to terms with his unique abilities. *Talking to Heaven* explores his most revealing sessions with grieving people seeking to contact the spirits of loved ones. From a devastated mother receiving a message of hope from her deceased little girl to communicating with a young man killed in Vietnam who doesn't realize he's dead, Van Praagh affirms his belief in the existence of a peaceful afterlife. *Talking to Heaven* also offers those who are grieving methods to recognize and positively deal with the pain of grief in a healthy, honest manner. Part spiritual memoir, part case study, part instrumental guide, *Talking to Heaven* will change the way you perceive death and life.
