to stand up for universal truths he shows us that we have a choice in how we are going to live and in using our inherent soul ability we possess to adapt and change even drastically when called upon to do so This is the third book in the Wisdom Stories series Each story includes a Gem of Wisdom in Yogananda s own words By giving us a clear path to overcoming the limitations of ego adjusting our attitudes and expanding our hearts he offers us a priceless and lasting gift that we can then share with receptive hearts of any age

Stories of Yogananda's Youth Swami Kriyananda,2017-11-15 Stories from the

youth of Mukunda Lal Ghosh later known to the world under his monastic name of Paramhansa Yogananda author of the bestselling spiritual classic Autobiography of a Yogi Even in his youth the greatness of this master of yoga was revealed Complements beautifully Yogananda s own autobiography The author Swami Kriyananda a direct and close disciple of Yogananda writes In this book I have tried to depict Yogananda s spirit a spirit ardent with love for God tender with sympathy for all men forgiving kindly humorous yet resolute and forceful when strength was needed From the preface Paramhansa Yogananda was born in India in the last decade of the nineteenth century His father a high official in the Bengal Nagpur railway was in a position to offer his children worldly security and success Mukunda s heart however was set on another kind of security and another higher kind of success final victory over ignorance through loving union with God Spurning earthly comforts he sought rigorous training under one of India s greatest living gurus Swami Sri Yukteswar of Serampore Bengal People often make the mistake of equating the spiritual life with dullness and prudery These stories should help to dispel that illusion Mukunda s keen sense of humor and love of pranks often startled his more sedate neighbors out of their mental ruts The personality that emerges from these episodes is joyous compassionate childlike yet fiercely determined loyal deeply in love with God and capable of standing alone in his convictions against the very world These stories have been written from true episodes in the master s life from approximately the ages of six to seventeen Some of the accounts were related to me by his relatives others by childhood friends But the greater number were told me by the master himself I have taken no liberties with those accounts beyond adding superficial details for poetic emphasis an occasionally combining separate episodes too brief to stand alone into a single story

Songs of the Soul Paramhansa Yogananda,2024-12-01 SONGS OF THE

SOUL Original Writings of Paramhansa Yogananda Paramhansa Yogananda is best known for his Autobiography of a Yogi a book that he said the Lord Himself commissioned him to write in response to a silent call among many souls for a practical religion that would enable them to know the Divinity that dwells in their own hearts and souls Those who met Yogananda

were overwhelmed by the magnetic power of his love Saints and sages recognized him as one of their own Sri Ananda Moyi Ma Ramana Maharshi Sri Rama Yogi and Mahatma Gandhi these and many other great souls perceived in him an avatar God incarnated with the power to redeem not only a few close disciples but a vast flock who would be transformed by his divine ray As a bright light shining in the midst of darkness so was Yogananda s presence in this world Such a great soul comes on earth only rarely when there is a real need among men The Shankaracharya of Kanchipuram spiritual leader of millions of Hindus Though divinely tasked with bringing a practical teaching Yogananda preferred to express his wisdom not in dry intellectual terms but as pure expansive feeling To drink his poetry is to be drawn into the web of his boundless childlike love Nor was his vision limited to this earthly plane in one moment his Songs of the Soul invite us to join him as he plays among the stars with his Cosmic Beloved Then they call us to discover that portion of our own hearts that is eternally one with the Nearest and Dearest Like his famous Whispers From Eternity this volume is a bubbling singing wellspring of spiritual healing that we can bring with us everywhere Also included is the addition of five poems not included in the original 1923 edition
