Early French Cookery D. Eleanor Scully,Terence Scully,1995 Early French Cookery introduces the general features of the food prepared for wealthy French households at the end of the Middle Ages The volume presents over 100 recipes drawn from actual medieval manuscripts together with preparation instructions The authors help place these enticing recipes in context through a short survey of medieval dining behavior and they give practical menu suggestions for preparing simple meals or banquets that

incorporate these delightfully tasty dishes Chapters include an overview of early French culinary traditions foodstuffs that were used and methods of preparation Early French Cookery also discusses the equipment of the kitchens and dining rooms that were used and characterizes those who prepared the food and those who consumed it The recipes are set out in a modern format with quantities given in both metric and standard U S measurements Recipes are grouped by category appetizers vegetables fish dishes desserts and so forth Early French Cookery concludes with a fascinating look at a day in the life of a contemporary master chef at a duke's court We watch Master Chiquart organize the purchase storage preparation and serving of the food consumed by a duke and his dozens of family members courtiers staff and servants and all done without benefit of grocery stores refrigeration labor saving electric appliances or running water Early French Cookery will be of interest to a wide variety of people from those who like to hold unusual parties to those who are interested in the economics of the middle ages D Eleanor Scully is an occasional lecturer at the Stratford Chef School and advisor to Wilfrid Laurier University on Medieval and Renaissance cooking and customs Terence Scully is Professor of French Language and Literature Wilfrid Laurier University Waterloo Ontario *Food Cultures of the World Encyclopedia* Ken Albala, 2011-05-25 This comprehensive reference work introduces food culture from more than 150 countries and cultures around the world including some from remote and unexpected peoples and places From babka to baklava to the groundnut stew of Ghana food culture can tell us where we've been and maybe even where we're going Filled with succinct yet highly informative entries the four volume Food Cultures of the World Encyclopedia covers all of the planet's nation states as well as various tribes and marginalized peoples Thus in addition to coverage on countries as disparate as France Ethiopia and Tibet there are also entries on Roma Gypsies the Maori of New Zealand and the Saami of northern Europe There is even a section on food in outer space detailing how and what astronauts eat and how they prepare for space travel as far as diet and nutrition are concerned Each entry offers information about foodstuffs meals cooking methods recipes eating out holidays and celebrations and health and diet Vignettes help readers better understand other cultures while the inclusion of selected recipes lets them recreate dishes from other lands
