Schell, 2022-03-22 This book discusses the dangers of too much technology use explores the benefits of digital detoxing and outlines the different programs and approaches available to help you unplug It s an invaluable resource for readers looking to establish a healthier relationship with the digital world Health professionals and the general public are becoming increasingly aware that addiction to the internet social media online games and other forms of technology has become a real problem with significant negative impacts on physical psychological and social health To combat this issue some are now undertaking a digital detox and many options have emerged to help individuals unplug whether for a weekend or for longer term change Digital Detox Why Taking a Break from Technology Can Improve Your Well Being explores both the dark side of technology s ever present existence in today s world and what individuals can do to find better balance in their digital lives Part I explores addiction to the internet and other novel technologies What effect does overindulgence in

social media gaming online shopping or even doomscrolling through internet news sites have on our self esteem relationships with others and happiness This section also explores how researchers study and quantify technology addiction Part II focuses on the digital detox countermovement examining how various programs support groups retreats and even technology itself can help individuals conquer their digital addictions

**Digital Discipline** MD MUBEEN KHAN,2025-12-29 Technology has brought the world to our fingertips yet today I see a growing struggle especially among students Over the past few years I have personally interacted with hundreds of young learners and a painful reality keeps repeating they do not want to be addicted to screens yet they feel powerless to control it Many of them tell me Sir we want to stop but we can t This sentence alone reflects the silent battle of this generation While discussing with numerous students I experienced situations that were both heartbreaking and embarrassing not because of them but because of how deeply technology has taken over their lives Their academic focus is collapsing their confidence is disappearing and their potential is being buried under endless scrolling This book was born from all these experiences My students want to quit digital addiction they want to focus on their studies they want to grow but a 30 minute motivational lecture only lasts for one day On the next day the struggle begins again I realized that motivation is not enough What they truly need is a system a practical daily step by step guide to help them take back control of their digital life That is why I wrote Digital Discipline
