

The background of the entire image is a dark, orange-tinted post-apocalyptic cityscape. In the foreground, a chain-link fence runs across the bottom half of the frame. To the left, a tall power line tower stands. In the background, several multi-story buildings are visible, some appearing damaged or overgrown. The overall atmosphere is one of desolation and decay.

A New Dawn D. B. Daglish, 2015-01-25 When you play with things that do not belong on earth you are courting with disaster At a lab on the outskirts of Madison Wisconsin Brian accidentally creates a viral mix of overwhelming capacity Sent to Stockholm to a conference so the agency can play with it further he unknowingly spreads it to all the delegates On live television till the reporters themselves succumb civilization is shown falling into a spiral of fear and brutality When the power grids fail the absolute chaos is hidden except that which is outside your own door Finally all hope is gone and the earth falls silent Yet a few survive This story follows a small group in the southern hemisphere who struggle to grasp the reality of the new world they were unwillingly thrust into With no power no law no comfort and no hope they forge out an existence and discover the comfort in relying on others to survive while experiencing every emotion known to man along the way The choices we make and how to deal with fear loss triumph and peace all while dealing with your own mortality This story explores the reality of a sudden withdrawal of modern convenience the emotions that ensue and how a group can plan a future where the way of life of their descendants will undoubtedly regress till all modern knowledge is lost or is that the case It is both a sobering jolt to the futility of the way we live and heartwarming in the revealing of the need for community in the most dire of circumstances

American Rebirth Evan Pickering, 2018-04-09 A Legend Caught in a Revolution A New Life That Mirrors the Past A Dark Cult Threatening to Destroy What's Left of Civilization Some things you just can't escape doesn't matter how far you run King Daryn has turned the Sons of Liberty into a war machine Texas is flooded with exiles and refugees The Church of The Redemption has come to power changing the geopolitical landscape Everything the Clearwater crew knew is gone They've had to start a new life hidden away from it all Stealing what they can to survive But there's no safety in solitude They know that better than anyone Everything they know is about to change when they stumble upon enough silver and weaponry to buy a small army There's just one problem the people who it belonged to are about to come looking for it And a new war simmering in the dark is about to tear the country apart No matter how far they push it away they can't escape the destiny pulling them in like a gravity well After all history will not be denied its legends

After London; Or, Wild England Richard Jefferies,2023 One could consider Jefferies book to be a groundbreaking piece of post apocalyptic literature After a sudden unexplained tragedy has killed out the majority of England's population the countryside returns to its natural state and those who are left choose a fairly archaic way of life The first section The Relapse into Barbarism is a description of the loss of civilization and its consequences by some subsequent historians It features a lovely depiction of how nature reclaimed England The second chapter named Wild England is an adventure that takes place in a culture and environment that are both wild and takes place many years later The book's flaws are more than made up for by the great writing notably the unsettlingly prophetic descriptions of the post apocalyptic city and countryside was released by Cassell Company in 1885 Everything became green in the first spring after London ended The novel After London by Richard Jefferies is considered a classic work of eco apocalyptic literature Jefferies was married in 1874 and relocated closer

to London in 1877 while still writing to support his wife and two kids Though he was both unwell and penniless the years from 1882 until his death in 1887 were when he was most creative
