*Mindfulness for All* Jon Kabat-Zinn, 2019-02-05  
More than twenty years ago, Jon Kabat-Zinn changed the way we thought about awareness in everyday life with his now classic introduction to mindfulness, *Wherever You Go There You Are*. He followed that up with 2005's *Coming to Our Senses*, the definitive book for our time on the connection between mindfulness and our well-being on every level: physical, cognitive, emotional, social, planetary, and spiritual. Now *Coming to Our Senses* is being repackaged into 4 smaller books, each focusing on a different aspect of mindfulness and each with a new foreword written by the author. In the fourth of these books, *Mindfulness for All*, which was originally published as Part VII and Part VIII of *Coming to Our Senses*, Kabat-Zinn focuses on how mindfulness really can be a tool to transform the world, explaining how democracy thrives in a mindful context and why mindfulness is a vital tool for both personal and global understanding and action in these tumultuous times. By coming to our senses both literally and metaphorically, we can become more compassionate, more embodied, more aware human beings and in the process contribute to the healing of the body politic as well as our own lives in ways both little and big.

[The Healing Power of Mindfulness](#) Jon Kabat-Zinn, 2018-11-22. More than twenty years ago, Jon Kabat-Zinn changed the way we thought about awareness in everyday life with his now classic introduction to mindfulness, *Wherever You Go, There You Are*. He followed that up with 2005's *Coming to Our Senses*, the definitive book for our time on the connection between mindfulness and our well-being on every level: physical, cognitive, emotional, social, planetary, and spiritual. Now *Coming to Our Senses* is being repackaged into 4 smaller books, each focusing on a different aspect of mindfulness and each with a new foreword written by the author. In the third of these books, *The Healing Power of Mindfulness*, which was originally published as Part V and Part VI of *Coming to Our Senses*, Kabat-Zinn focuses on the ways mindfulness can change the body and rewire the mind, explaining what we're learning about neuroplasticity and the brain, how meditation can affect the immune system, and what mindfulness can teach us about facing impermanence and eventually the end of our own lives. By coming to our senses both literally and metaphorically, we can become more compassionate, more embodied, more aware human beings, and in the process contribute to the healing of the body politic as well as our own lives in ways both little and big.

**Falling Awake** Jon Kabat-Zinn, 2018-08-07. Think you have no time for mindfulness? Think again. Thoughtful and provocative, the relevance of this work is unquestionable as it leaves us inspired and optimistic that true healing really is possible. What does a formal meditation practice look like?
