Your numbers are speaking; are you ready to listen? Get your copy of *AI and Numerology* today and start unlocking the secrets of your numbers and your potential. **The Art of Communication** Hilda K. Weisburg, 2022-10-05. Librarians will learn communication skills that help them develop as leaders, build community, and advocate for their libraries. Librarians understand the importance of making the value of the library

known to stakeholders In this informative and conversational book Hilda K Weisburg gradually builds librarians communication skills which are intrinsic to the success of library programs and services Being able to effectively communicate as a sender and receiver of messages is a vital leadership skill and librarians must master all the multi faceted ways people exchange information in order to grow as leaders Throughout the book librarians will learn communication basics and the obstacles that interfere with successful communication The chapters in part one detail the three components of communication part two prepares librarians to cope with difficult communications and part three gives librarians further techniques to ensure their messages are cohesive and strategic as they reach out to stakeholders The book s goal is for librarians to feel confident about using their newly learned communication skills for advocacy As their value to the library community grows they will be able to strategically use the relationships their communications have built to create positive change

Digital and Cultural Influences on Media Narratives and Storytelling Koç, Nur Emine, Demirtaş, Mine, Gezmen, Başak, 2025-08-06 In this digital age media narratives and storytelling have shaped the connection between technology and culture Digital platforms have not only transformed how stories are created and consumed but who gets to tell these stories Traditions and cultural identities continue to influence narrative structures themes and reception across a diverse audience Digital innovation and cultural expression are redefining storytelling challenging conventional media paradigms and giving rise to new forms of participatory and transmedia narratives that reflect the evolving global landscape Digital and Cultural Influences on Media Narratives and Storytelling explores the development and cultural influence of digital storytelling This book examines storytelling in the context of different fields structures and formats with examples Covering topics such as consumer behavior digital games and transmedia this book is an excellent resource for marketing professionals researchers academicians librarians sociologists educators and more
