## **YouTube Review Novel:**

**Fate and Freedom in the Novels of David Adams Richards** Sara MacDonald, Barry Craig, 2017-05-04 This book explores the understanding of freedom developed in the later novels of celebrated Canadian author David Adams Richards. Many reviewers highlight two interconnected features in Richards' novels: a seemingly rigid determinism of setting and sociodemographics and a resulting hopelessness. In contrast, Richards describes the quest of human life and the purpose of his novels as a search for freedom. This book explores the account of freedom that is developed through the course of four of Richards' works: *The Friends of Meager Fortune*, *Mercy Among the Children*, *The Lost Highway*, and *Crimes Against My Brother*. Following the Augustinian thread that informs Richards' writing, we argue that rather than presenting an understanding of human life that is bleak or hopeless, Richards instead reveals an argument wherein one's happiness and freedom is found in the midst of love.

**How to Promote Your Book** Jan Yager, 2023-01-18 Writing a great book is the easy part. Getting people to buy the book is wicked hard. Jan's book shows you what promotion to do so you increase the possibility that your book becomes a bestseller. Jeffrey Fox, bestselling author *How to Become a Rainmaker*. Being an author is 50% creative and 50% promotion. Jan Yager's comprehensive and practical book *How to Promote Your Book* tells authors exactly what they need to know and do to promote their book. I'm recommending it to all the authors I know, including those whose books I share through my Bedside Reading program. Jane Ubell Meyer, CEO Bedside Reading, former TV producer *Good Morning America*, *Entertainment Tonight*, *WSJ TV*. Whether your book is being released through a commercial publisher or an academic press, or you are self-publishing it, as the author you can and should play a crucial role in getting your title seen, talked about, and sold. And while you may watch dozens of authors pitch their books on TV, in social media, and in bookstores, they represent only a fraction of the writers who come out with new books each year. What do they know that you don't? They know what to do to get attention for themselves and more important, for their books, and as you will discover in book publishing veteran Jan Yager's *How to Promote Your Book*, you can too. The book is divided into three sections. Part One begins with a look at promotion basics. These include knowing what your book's marketplaces are, who your audience is, how the media is divided, the elements involved in publicity, and how to create an effective promotional timeline. Once you understand the basics, Part Two focuses on the ways to package and market yourself to the various book and media outlets. It discusses putting together professional-looking press releases and media kits. It also explains how to obtain endorsements and reviews, as well as how to generate speaking engagements and interviews with journalists, bloggers, and radio, TV, and podcast hosts. Part Three provides a plan that covers the first three months of an author's publicity program, from the day the book is formally released through all the media events that have been lined up. Throughout the book, you will find insets that answer important questions such as "What are the real costs involved?" and "Should I promote myself or hire a publicist?" Just as important, the author includes a valuable resource guide that provides the names, addresses, and links to many of the

key places covered in the book Jan Yager has enjoyed a fabulous career as both a best selling author and a publisher She has been interviewed by many of the top shows on TV and radio In *How to Promote Your Book* she lets you in on what she has done both for herself and for her authors to open the door to effective publicity *The Handbook of Strategic*

*Communication* Carl H.
