Yara and Xander are both writers on a major TV series. But that's where the similarities end. Yara loves romance, but Xander doesn't see the point. He is only interested in the greats: Kubrick, Scorsese, Tarantino. He doesn't have Instagram, hasn't read a book published this century. When they're tasked with writing the season finale together, they know the episode needs them both: romance and drama, head and heart. Can they put aside their differences to create something remarkable? Tropes. Enemies to lovers. Opposites attract. Forced proximity. There's only one bed. Grumpy x sunshine.
