

## Guided Reading Lesson Plan Chapter Six

## Cool by Michael Morpurgo

### Learning Intentions

- Can I use reading strategies to gain meaning?
- Can I identify some features of a narrative text?
- Can I make inferences based on my understanding of the text?

### Activating Prior Knowledge

- Discuss the events of the previous chapter in terms of events, characters and their responses to the events
- Discuss the themes of the previous chapter with the children and ask them to find example of those themes in other stories they may have read
- Discuss possible outcomes following the events of Chapter Five

*During each of the reading sessions children build up a story web, either individually, with a partner or as a group (see attached sample).*

### Chapter Six

1. **Orientation** (finding out about the characters and the setting): Read the chapter looking for information about the setting, characters and the problem. Ask students to retell what they have read, using the text to justify their statements.
2. **Check decoding:** Read the word on page 93 that describes how Robbie's mum is holding his hand (squeezing). Read the words on page 94 that describes how the sun is coming through the window (streaming). Read the words on page 96 that tell us the noise 'Lucky makes' (whining and whimpering) etc.
3. **Problem** (Identify the story/chapter problem): State the problem identified in the chapter and add it to the story web
4. **Response—Action** (What action do the characters take to solve the problem): What happened in relation to the problem—find examples in the text to justify your response
5. **Outcome** (What happens as a result?): State the outcome, identifying examples in the text to justify responses. Brainstorm ideas of what might happen as a result of the outcome. Add outcome responses to story web.
6. **Theme/s** (What are the themes/messages: What are the themes or messages in this chapter? How do you know?)

### Follow-up Activities (clarifying understanding and developing critical thinking)

Complete a book review or design a new cover for the story.
