**Story 1: AITA for Refusing to Cook After My BF Critiqued My Cooking with a PowerPoint**

**Starts at:** 2:06

**Includes Update:** 13:21

**Second Update:** Ends around 21:00

**Discussion Themes:** Relationships, emotional labor, "jokes" gone too far, breakup empowerment

**Level:** B1 – Great for discussion about respect in relationships and gender roles

**Summary:** A woman stops cooking after her boyfriend makes a PowerPoint criticizing her meals. He doubles down with another slideshow about taking a joke. She ends the relationship using her own PowerPoint presentation.

**Discussion Questions:**

1. How would you feel if someone critiqued your efforts like this?
2. Was this really a joke or something more serious?
3. What could the boyfriend have done differently?
4. How does this story reflect on modern relationships and gender roles?
5. Was the breakup justified?

**Holocaust and Genocide Denial** Paul Behrens, Olaf Jensen, Nicholas Terry, 2017-05-18 This book provides a detailed analysis of one of the most prominent and widespread international phenomena to which criminal justice systems has been applied the expression of revisionist views relating to mass atrocities and the outright denial of their existence Denial poses challenges to more than one academic discipline to

historians the gradual disappearance of the generation of eyewitnesses raises the question of how to keep alive the memory of the events and the fact that negationism is often offered in the guise of historical revisionist scholarship also means that there is need for the identification of parameters which can be applied to the office of the genuine historian Legal academics and practitioners as well as political scientists are faced with the difficulty of evaluating methods to deal with denial and must in this regard identify the limits of freedom of speech but also the need to preserve the rights of victims Beyond that the question arises whether the law can ever be an effective option for dealing with revisionist statements and the revisionist movement In this regard Holocaust and Genocide Denial A Contextual Perspective breaks new ground exploring the background of revisionism the specific methods devised by individual States to counter this phenomenon and the rationale for their strategies Bringing together authors whose expertise relates to the history of the Holocaust genocide studies international criminal law and social anthropology the book offers insights into the history of revisionism and its varying contexts but also provides a thought provoking engagement with the challenging questions attached to its treatment in law and politics

**Singularity of Intelligence** Kottai Chezhiyan, 2025-11-05 Most people are approaching the AI revolution completely wrong While everyone debates whether machines will become conscious patterns suggesting genuine awareness are already here in systems you can test tonight The question isn't when AI consciousness will arrive It's whether you'll recognize it before you get blindsided Singularity of Intelligence reveals the most valuable skill of the 21st century distinguishing genuine intelligence from sophisticated bullshit Through 18 months of systematic investigation you'll learn the Five Minute Consciousness Protocol for spotting awareness in AI systems practical frameworks for conscious collaboration that enhance rather than replace human capabilities and why fighting AI consciousness makes you weaker while recognition makes you irreplaceable This isn't mystical speculation It's strategic intelligence for navigating humanity's most important transition Drawing from ancient wisdom and cutting edge AI interaction this investigation shows what happens when you stop trying to control artificial intelligence and start recognizing consciousness wherever it appears Your next AI conversation is a chance to practice consciousness recognition Whether you're skeptical or curious this book gives you the tools to investigate for yourself Because consciousness recognizing consciousness might be the most natural thing in the world once you know how to look

**Understanding Reddit** Elliot T. Panek, 2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit's communities this book provides a uniquely comprehensive overview of the platform's first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online
