Quick Start Productivity Guide:

Quick Start Toolkit - The Entrepreneur's step-by-step guide to POWER up your business fast! , *IBM Virtual Disk System Quickstart Guide* Sangam Racherla, Jure Arzenšek, Jamal Boudi, Dharmesh Kamdar, Van Tran, IBM

Redbooks, 2010-02-17 This IBM Redbooks publication is a quickstart guide for implementing an IBM virtual disk system. We use the term IBM virtual disk system to collectively refer to IBM SAN Volume Controller SVC, System Storage Productivity Center SSPC, IBM mid-range storage DS3400 in this case, and IBM Brocade SAN Switches. IBM System Storage SAN Volume Controller SVC is a virtualization appliance solution that maps virtualized volumes visible to hosts and applications to physical volumes on storage devices. The IBM virtualization technology improves management of information at the block level in a network, enabling applications and servers to share storage devices on a network. With IBM System Storage Productivity Center SSPC, TM administrators can manage storage along with the other devices in the storage environment. This greatly simplifies management of even the most basic storage environments, and the awareness of environment helps to reduce accidental errors that can cause downtime. SSPC comes preloaded with IBM Tivoli Storage Productivity Center products, enables end-to-end disk management on a single screen, and supports management of heterogeneous systems and devices.

Optimize Your Productivity Lisa Kardos, 2019-01-27 Optimize Your Productivity is the go-to guide for getting more done in less time, especially if other productivity systems have failed you in the past. Lisa Kardos, Ph.D., an engineer, bestselling author, speaker, and consultant, has authored another title in the spirit of applying engineering best practices as a logical approach to improve our lives. Optimize Your Productivity will not only help you get to the root of your productivity issues but it will also provide an interesting and unique approach to the formidable subject, including a quickstart guide to aid you immediately. If you know you could be more productive or need some motivation to improve your productivity, this book will not disappoint.
