*Thrillers, Chillers, and Killers* Frank Krutnik, 2025-05-13 Film noir is one of the most exciting and most debated products of studio era Hollywood but did you know that American radio broadcast many programs in the noir vein through the 1940s and 1950s These included adaptations of such well known films as The Maltese Falcon Murder My Sweet and Double Indemnity detective series devoted to the adventures of private eyes Philip Marlowe and Sam Spade and the spine tingling anthology programs Lights Out and Suspense Thrillers Chillers and Killers is the first book to explore in detail noir storytelling on the two media arguing that radio s noir dramas played an important role as a counterpart to influence on or a spin off from the noir films Besides shedding new light on long neglected radio dramas and a medium that was cinema s major rival this scrupulously researched yet accessible study also uses these programs to challenge conventional
