The Look of the Book Peter Mendelsund, David J. Alworth, 2020-10-06 Why do some book covers instantly grab your attention while others never get a second glance? Fusing word and image as well as design thinking and literary criticism, this captivating investigation goes behind the scenes of the cover design process to answer this question and more. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW As the outward face of the text, the book cover makes an all-important first impression. *The Look of the Book* examines art at the edges of literature through notable covers and the stories behind them, galleries of the many different jackets of bestselling books, an overview of book cover trends throughout history and insights from dozens of literary and design luminaries. Warnings Leonard Grob, John K.

Roth, 2023-07-06 Old friends, one a Jew, the other a Christian. Leonard Lenny Grob and John K. Roth are philosophers who have long studied the Holocaust. That experience makes us anxious about democracy because we are also Americans living in perilous times. The 2020s remind us of the 1930s when Nazis destroyed democracy in Germany. Carnage followed. In the 2020s Donald Trump and his followers endanger democracy in the United States. With Vladimir Putin's ruthless assault against Ukraine compounding the difficulties, democracy must not be taken for granted. Americans love democracy except when we don't. That division and conflict mean that democracy will be on the ballot in the 2024 American elections. Probing the prospects, *Warnings: The Holocaust, Ukraine, and Endangered American Democracy* features exchanges between us that underscore the most urgent threats to democracy in the United States and show how to resist them. What's most needed is ethical patriotism that urges us Americans to be our best selves. Our best selves defend liberal democracy, they strive for inclusive pluralism. Our best selves resist decisions and policies like those that led to the Holocaust or genocidal war in Ukraine or conspiracies to overturn fair and free elections in the United States. Our best selves reject antisemitism and racism, they oppose hypocrisy and autocracy. Our best selves hold lying leaders accountable. Our best selves believe that
