

# 15+ Lessons to Succeed on YouTube in 2022

ALI ABDAAL + SACHIN RAMJE

## Doing YouTube is hard

It's not easy money. You just need to be patient and ride the wave.

## Compounding is Queen

Focus on creating more videos and 1% improvements every time. Your efforts will compound.

## Prioritise audio

People will sit through crappy video quality, but nobody will listen to bad audio.

## Learn to edit

Even as a beginner, it's great to learn basic video editing.

## Learn to tell stories

Storytelling is super important.

## Titles matter

Video titles will make or break your video. No titles, no video.

## Test, test, test

A/B testing titles and thumbnails can really impact a video's performance.

## Hooks are key

If your hook is bad, viewers will leave. Titles + thumbnails earn the click, but you've got to keep people watching.

## Don't chase views

Chase value for your audience. Keep creating valuable content.

## Concentrate on inputs

Just get one video out per week when you're starting off. Consistency is key.

## Create, create, create

Consistency is King. Focus on getting better, not bigger. Growth comes over time.

## Gear doesn't matter

Getting your first video out is way more important than fancy quality.

## Block out the haters

What other people think of you is none of your business. Have fun, that's all matters.

## Outsource editing fast

Editing is a huge time sink. Focus on creating.

## Niche down to blow up

Don't try to be everything to everyone.

## Thumbnails matter more

Thumbnails >> Titles. Your video won't get watched if nobody clicks on it.

## Leverage your content

Repurpose your original content into blog posts, newsletters, video clips and social media posts.

## Understand your analytics

Look into the data of what's working and what isn't.

## Batch record

Recording multiple videos in one go can save you lots of time and will reduce friction.

## Start a newsletter

After creating content in public, move your audience to platforms you own.

# Ultimate Guide YouTube Review

**Aaron Hess, Jens E. Kjeldsen**

## **Ultimate Guide YouTube Review:**
