**Hit Makers** Derek Thompson, 2017-02-07 Enthralling full of aha moments about why some ideas soar and others never get off the ground This book picks up where The Tipping Point left off Adam Grant Nothing goes viral If you think a popular movie song or app came out of nowhere to become a word of mouth success in today s crowded media environment you re missing the real story Each blockbuster has a secret history of power influence dark broadcasters and passionate cults that turn some new products into cultural phenomena Even the most brilliant ideas wither in obscurity if they fail to connect with the right network and the consumers that matter most aren t the early adopters but rather their friends followers and imitators the audience of your audience In his groundbreaking investigation Atlantic senior editor Derek Thompson uncovers the hidden psychology of why we like what we like and reveals the economics of cultural markets that invisibly shape our lives Shattering the sentimental myths of hit making that dominate pop culture and business Thompson shows quality is insufficient for success nobody has good taste and some of the most popular products in history were one bad break away from utter failure It may be a new world but there are some enduring truths to what audiences and consumers want People love a familiar surprise a product that is bold yet sneakily recognizable Every business every artist every person looking to promote themselves and their work wants to know what makes some works so successful while others disappear Hit Makers is a magical mystery tour through the last century of pop culture blockbusters and the most valuable currency of the twenty first century people s attention From the dawn of impressionist art to the future of Facebook from small Etsy designers to the origin of Star Wars Derek Thompson leaves no pet rock unturned to tell the fascinating story of how culture happens and why things become popular In Hit Makers Derek Thompson investigates What Taylor Swift the printing press and the laugh track have in common The secret link between ESPN s sticky programming and the The Weeknd s catchy choruses How

advertising critics predicted Donald Trump The 5th grader who accidentally launched Rock Around the Clock the biggest hit in rock and roll history How Barack Obama and his speechwriters think of themselves as songwriters How Disney conquered the world but the future of hits belongs to savvy amateurs and individuals The French collector who accidentally created the Impressionist canon Quantitative evidence that the biggest music hits aren't always the best Why almost all Hollywood blockbusters are sequels reboots and adaptations Why one year 1991 is responsible for the way pop music sounds today Why another year 1932 created the business model of film How data scientists proved that going viral is a myth How 19th century immigration patterns explain the most heard song in the Western Hemisphere INTELLECTUAL PROPERTY RIGHTS
