Leonard Grob, John K. Roth, 2023-07-06 Old friends one a Jew the other a Christian Leonard Lenny Grob and John K Roth are philosophers who have long studied the Holocaust That experience makes us anxious about democracy because we are also Americans living in perilous times The 2020s remind us of the 1930s when Nazis destroyed democracy in Germany Carnage followed In the 2020s Donald Trump and his followers endanger democracy in the United States With Vladimir Putin's ruthless assault against Ukraine compounding the difficulties democracy must not be taken for granted Americans love democracy except when we don't That division and conflict mean that democracy will be on the ballot in the 2024 American elections Probing the prospects *Warnings The Holocaust Ukraine and Endangered American Democracy* features exchanges between us that underscore the most urgent threats to democracy in the United States and show how to resist them What's most needed is ethical patriotism that urges us Americans to be our best selves Our best selves defend liberal democracy they strive for inclusive pluralism Our best selves resist decisions and policies like those that led to the Holocaust or genocidal war in Ukraine or conspiracies to overturn fair and free elections in the United States Our best selves reject antisemitism and racism they oppose hypocrisy and autocracy Our best selves hold lying leaders accountable Our best selves believe that against all odds democracy can win out if we never give up trying to be our best **ISIS Propaganda** Stephane

Baele, Katharine A. Boyd, Travis G. Coan, 2020 This book offers a comprehensive overview and analysis of the Islamic State's

use of propaganda Combining a range of different theoretical perspectives from across the social sciences and using rigorous methods the authors trace the origins of the Islamic State s message laying bare the strategic logic guiding its evolution examining each of its multi media components and showing how these elements work together to radicalize audiences worldviews This volume highlights the challenges that this sort of full spectrum propaganda raises for counter terrorism forces It is not only a one stop resource for any analyst of IS and Salafi jihadism but also a rich contribution to the study of text and visual propaganda radicalization and political violence and international security
