mindfulness group The book will consist of five chapters plus an introduction and conclusion This follows the structure of the course that we run Each chapter begins with a story vignette about student life which puts the meditation into context There will be a guided meditation in each chapter and activity reflection exercises Louise Frith is a Student Learning Adviser at the University of Kent UK She teaches academic literacy to students across the disciplines with particular focus on supporting students on the social work programmes Lorraine Millard a Student Counsellor at Kent and mindfulness practitioner She is a UKCP accredited Psychotherapist and Supervisor with over 30 years experience in varied settings Patmarie Coleman is a senior counsellor at the University of Kent and also has a private supervision practice in South East London *Emotional Self-Control* Daniel Goleman, Richard E.
