## **Community Favorite Tok Trending:**

*The Whole-School Community Read* Margaux DelGuidice-Calemme, Jeannette Balantic, 2025-10-30 A comprehensive resource for librarians and teachers who want to implement a whole school community reading program in their schools

TikTok Broadway Trevor Boffone, 2024 TikTok Broadway Musical Theatre Fandom in the Digital Age explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app expanding musical theatre into a purely digital realm that spills into other non digital aspects of U S popular culture **Strategic Social Media** L. Meghan Mahoney, Tang Tang, 2024-04-09 Learn to utilize social media strategies that inspire behavior change in any landscape Strategic Social Media From Marketing to Social Change Second Edition combines best social media marketing practices with the application of traditional communication behavior change and marketing theories More than a basic how to guide this innovative resource balances social media theory and real world practice in a variety of areas including advocacy public health entertainment and education With a clear and readable style the authors explain the power and possibilities of social media to influence personal relationships and social change The media environment of today is more mobile visual and personalized than ever before In the second edition of Strategic Social Media the authors incorporate advances in the field such as enhanced visual communication digital experience sharing omnichannel marketing IoT artificial intelligence mass personalization and social e commerce An entirely new chapter on utilizing social media for personal branding efforts is accompanied by new and updated examples action plans business models and international case studies throughout Covers all key aspects of strategic social media landscape messages marketing and business models social change and the future Highlights opportunities to break down barriers with institutions of power achieve greater transparency and mobilize users through social media Contains social media strategies readers can apply to any past present or future social media platform Helps practitioners make better decisions about brand objectives and evaluate and monitor social media marketing efforts Provides clear guidance on crafting social media messages that reach intended audiences and ignite dialogue and behavior change Offering comprehensive coverage of both the theory and practice of facilitating behavior change in social media audiences Strategic Social Media From Marketing to Social Change Second Edition is essential reading for undergraduate and graduate students in digital and social media marketing courses social media practitioners entrepreneurs digital content creators journalists activists and marketing and public relations professionals Atravesados Trevor Boffone, Cristina Herrera, 2025-02-17 Contributions by Frederick Luis Aldama Trevor Boffone T Jackie Cuevas Cristina Herrera Alexander Lalama Angel Daniel Matos Regina Marie Mills Joseph Isaac Miranda Jesus Monta o Domino Renee P rez Regan Postma Monta o Cristina Rhodes and Sonia Alejandra Rodriguez Atravesados Essays on Queer Latinx Young Adult Literature shows how Latinx queer YA writers discard the same old story and offer critical representations of queerness that

broaden YA writing and insist on the presence of queer teens of color *Atravesados* draws on foundational Chicana queer theorist Gloria Anzaldúa's notion of *atravesados* to speak to the spectrum of queer youth Latinidades as they materialize in YA literature. Los *atravesados* according to Anzaldúa are the squint-eyed, the perverse, the queer, the troublesome, the mongrel, the mulatto, the half-breed, the half-dead, in short those who cross over, pass over, or through the confines of the normal. Los *atravesados* reside in the borderlands space of *ni de aquí ni de allá* neither here nor there, present yet liminal, their queerness the very source of both frustration and empowerment, a paradox of joy and tragedy. Although written in 1987, Anzaldúa's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty-first century. Characters such as Juliet from Gabby Rivera's *Juliet Takes a Breath*, Aaron from Adam Silvera's *More Happy Than Not*, or the titular Chulito from Charles Rice Gonzales's novel encompass the highs, lows, and everything in betweenness of queer Latinx teen lived experiences. This collection tells their stories. Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature, paying close attention to representation and the ways youth are portrayed, whether accurate or stereotypical. Close attention is paid to books that succeed in broadening the field of YA, highlighting authors that draw from their own lived experiences and situate strong, fully developed characters. Taken together, these essays move beyond the page, explaining to readers why representation and authenticity matter in YA literature as well as the far-reaching effects they can have for real-world queer Latinx teens.

**The Digital Popular in India** Deepali Yadav, Vipin K.

Kadavath, 2023-11-24 This book will look at digital popular cultures in the post-millennial Indian context and trace patterns of consumption and forms of agency that it engenders, thus offering an interpretative analysis of digital content on different platforms. The book consists of three sections. The first section centres around novel practices such as transnational consumption of digital popular content. The second section deals with influencer marketing and the ways in which mediated personalities get transformed. The third section includes textual analysis of OTT and other digital content in order to understand its effects on refashioning social identities such as class, caste, and gender.

**Dance in US Popular Culture**

Jennifer Atkins, 2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture. By drawing on material relevant to students, *Dance in US Popular Culture* successfully introduces students to critical thinking around the most personal of terrain: our bodies and our identities. The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens: what stereotypes and accompanying expectations are embedded in performance related to gender and/or race, for instance, how such expectations are reinforced, negotiated, challenged, embraced, or rescripted by performers and audiences, how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture, how this shapes an active sense of their everyday lives, and how this can act as a springboard towards dismantling systems of oppression. Through readings, questions, movement analyses, and assignment

prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body's sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BFA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

**The Routledge Handbook of Popular Music and Politics of the Balkans** Catherine Baker, 2024-07-10 The Routledge Handbook of Popular Music and Politics of the Balkans is a comprehensive overview of major topics established debates and new directions in the study of popular music and politics in this region The vibrant growth of this subject area since the 1990s has been intertwined with the region's political and socio-economic transformations including the collapse of state socialism in much of the region the break up of Yugoslavia the advent of neoliberal capitalism the rise of Romani activism the complex politics of Europeanization before and after the global financial crisis and the region's relationship to the European Union border regime The handbook illustrates the wide range of disciplines and methods that contribute to this field's interdisciplinary dialogue and highlights emerging approaches such as the study of Black diasporas in the region popular music's links with LGBTQ communities and the impact of digital technologies on musical cultures This volume will benefit specialist researchers tutors creating or refreshing courses on popular music in the region and students interested in these topics especially those who are at the point of developing their own independent research projects
