Dave Barry Is Not Making This Up:

Dave Barry is Not Making this Up Dave Barry, 1994 Since Dave Barry writes about weird things you might be tempted to think he has a weird brain. He does of course but that's not the whole explanation. A lot of the things he writes about exploding Pop Tarts for example are real. In fact, Dave's main job as a humor columnist aside from playing Stealth Fighter on his computer to avoid writing humor columns is to point out what is already funny in a world that is seriously bonkers. In Dave's world amazing but true adventures occur every day as the Pulitzer Prize winning columnist investigates a ground breaking anti flatulence product recommended to him by a justice of the U.S. Supreme Court, the ecologically dangerous shellfish attacking women's undergarments and the epidemic of snakes and woodland creatures currently appearing in people's toilets. Dave's bad song contest required him to read thousands of entries from people like you now people like you could have the pleasure of being badgered all the bad songs that badger Dave. Dave also participates in real life form of investigative journalism that actually require him to leave the house marching with the Lawn Rangers precision lawnmower drill team of Arcola, Illinois playing lead guitar in an extremely mediocre rock band with Stephen King and other literary lights and taking his little boat Buster from its happy berth in the Barry garage onto Miami's high seas only to run it aground. He's even appeared in an episode of Dave's World the CBS television show based on his real life only taller in which he bids for an air conditioner. *Dave Barry Is Not Making This Up* includes longer feature pieces by Dave in which many of the featured facts happen to be accurate. Now you can read *Dave Barry on UFO thrillseekers* and *the Elvis lovers who hang out at Graceland* all articles that show Dave at his best and smartest. Complete with illustrations by Pulitzer Prize winning cartoonist Jeff MacNelly. *Dave Barry is Not Making This Up* brings you straight into the truly twisted center of Dave's world. *On Buying His Son Sneakers* The salesperson's tone of voice carried the clear implication that he was going to call the Child Abuse Hotline if I didn't care enough as a parent to take out a second mortgage so I could purchase sufficient sneakerage for my son. We need Congress to pass a law requiring the sneaker industry to return to the system we had when I was growing up under which there was only one kind of sneakers namely U.S. Keds which were made from Army surplus tents and which cost about 10 or roughly 1 per pound. *On Being Left Handed* According to the researchers left handers die sooner than right handers because they have more accidents. I know why this is. We read books backward. This saves us a lot of time with murder mysteries but it's a bad habit when we're reading say the instructions for operating a barbecue grill and we begin with Step 147. *Ignite Gas On The Uses Of Exploding Pop Tarts* When we detected incoming missiles we'd simply hold the toaster levers down via some method possibly involving Tom and Roseanne Arnold and within a few minutes Whoom the country would be surrounded by a protective wall of flames and the missiles would either burn up or get knocked off course and detonate harmlessly in some place like New Jersey. *On Readers Reaction To The Bad Song Contest* Sometimes the voters were so angry that they weren't even sure of the name of the song they hated. There were votes against *These Boots Are*

Made for Stomping the Beach Boys classic Carolina Girls I m Nothing But a Hound Dog and Ain t No Woman Like the One Eyed Gott *Dave Barry Is Not Making This Up* Dave Barry,2001 Presenting just the facts about stuff that even one of America s funniest writers could not make up the Pulitzer Prize winning columnist considers dangerous strawberry Pop Tarts a precision lawnmower drill team and goats dangling from bell towers in a selection of his wackiest and all true columns
